CHAPTER I – PREAMBLE

ARTICLE 1. PREAMBLE

1.1 This draft refers to the Framework drawn up by WBSC to investigate allegations of inaccurate activities by WBSC employees, WBSC members or where the WBSC is potentially a victim of malpractice.

1.2 WBSC as the world governing body for the sports of Baseball/Softball, will provide protection against any unjustified treatment in the form of providing confidential advice to whistleblowers so long as there is an honest and reasonable belief of wrongdoing, but will provide no protection for knowingly false disclosure of information. Protection will extend to disclosures made anonymously, if later identified. If physical protection is needed, the case is referred to the police

1.3 This Framework is supported by Article 1.4 of the IOC Code of Ethics which states: *“Respect for the universal fundamental ethical principles is the foundation of Olympism...These include...Respect for international conventions on protecting human rights insofar as they apply to the Olympic Games’ activities and which ensure in particular...rejection of all forms of harassment, be it physical, professional or sexual, and any physical or mental injuries.”*

APPENDIX 1

WHISTLEBLOWER REPORT FORM

The WBSC accepts and investigates allegations of inaccurate activities by WBSC employees, WBSC members or where the WBSC is potentially a victim of malpractice.

Because we do not undertake investigations without competent cause, we need as much evidence as possible to authenticate the allegation(s) such as witnesses, documents and other relevant and specific advisement.

If you choose to file your complaint anonymously, it is vital to provide relevant and specific information. The investigation of improper activities is more burdensome if complaints are filed anonymously due to the difficulty of obtaining evidence to authenticate the improper activity before the commence of the investigation.

When describing the improper activity, please provide as much of the following information for *each* of your allegations and number each allegation, if there is more than one. Use additional pages if necessary.

Who? Who is involved? What are the names, federations involved? Who else knows about the mentioned improper activities? Who can confirm they occurred?

What? What did the suspect do specifically? What is improper about it? Are there regulations in place that govern what the suspect did? What documents can provide evidence?

Where? Where did the activity happen? Which event, world cup, tournament? Where are the evidence document located?

When? When did the improper activity occur? Is it ongoing?

Why? What are the motives? F.e. How does the suspect benefit? In case other might benefit from the activity, who are they and how do they benefit?

How? How frequent has it occurred? How did the activity occur? Was there a lack of controls or collusion with other individuals?

Please email this form to whistleblowingreport@wbsc.org or you can mail it, marked "confidential", to:
