### 1.2 REGULATION GAME REQUIREMENTS

#### 1.2.1 REGULATION GAME
A regulation game consists of seven completed innings, except as follows:

- **a)** A full seven innings need not be played if the home team scores more runs in six and one-half innings or before the third out in the bottom of the seventh inning.
- **b)** A game that is tied at the end of seven innings will be continued by playing additional innings until one side scores more runs than the other at the end of a completed inning or the home team scores more runs before the third out in the bottom of the inning is made.
- **c)** A game called by the Plate Umpire will be a regulation game if five or more complete innings have been played, or if the team second at bat has scored more runs than the other team has scored in five or more innings or if the run ahead rule is invoked. The Plate Umpire is empowered to call a game at any time because of darkness, rain, fire, panic or other cause, which puts the patrons or team members in physical danger.
- **d)** A regulation tied game will be declared if the score is equal when the game is ended at the end of five or more completed innings, or if the home team has equaled the score of the visiting team in the incomplete inning.
e) These provisions do not apply to any acts on the part of players or spectators that might call for forfeiture of the game. The Plate Umpire may forfeit the game if any team member or spectator physically attacks any Umpire.

f) A game that is not considered a regulation game or is a regulation tied game will be replayed from the start of the game. The original line-up may be changed when the game is replayed.

1.2.2 FORFEITED GAME
A game is forfeited in favor of the team not at fault when:

a) a team fails to appear on the field;
b) a team on the field refuses to begin a game for which it is scheduled or assigned at the time scheduled or within a time set for forfeitures by the organization in which the team is playing;
c) after the game starts, one team refuses to continue to play, unless the game has been suspended or terminated by the plate umpire;
d) after the Plate Umpire suspends a play, one team fails to resume play within two minutes after the plate Umpire signals and calls “PLAY BALL”;
e) a team employs tactics designed to delay or to hasten the game;
f) after a warning by the Plate Umpire, any one of these Rules is willfully violated, except if the pitcher continues to repeatedly violate a pitching Rule the pitcher will be removed from the pitching position for the remainder of the game and shall be declared an illegal pitcher;
g) the order for the removal or ejection of a player or any person authorized to sit on the team bench is not obeyed within one minute;
h) because of the removal or ejection of the players from the game by an Umpire or for any other cause there are less than ten (10) or eleven (11) with an Extra Player or twelve (12) with two Extra Players in Co-ed on either team;
i) a declared ineligible player re-enters the game and one pitch is thrown; or
j) it is discovered that an ejected player, coach or manager is participating in the game again.

1.2.3 RUN AHEAD RULE
a) This rule applies to any game at all Tournaments and Championships when one team leads another by: twenty (20) runs after four (4) innings; or fifteen (15) runs after five (5) innings.

b) Complete innings are played unless the home team scores the required number of runs while at bat. When the visiting team reaches the required number of runs in the top half of the inning, the home team bats in the bottom half of the inning. All play must have finished before the game is declared won by the score of the run ahead rule. If in the bottom of the inning, no scores above the run ahead score shall count unless the game ending play is a home run, and all runs scored because of the home run shall count.

1.2.4 TIE BREAKER; TIEBREAKER INNING
a) Starting with the top of the eighth inning and for each half-inning thereafter until the game ends, the offensive team starts its turn at bat with the player scheduled to bat tenth or eleventh with an EP or 12 in Co-ed with EP’s in that respective half-inning is placed on second base as a runner.

b) The runner on second base may be substituted in accordance with the Substitution Rules.

c) An incorrect runner that is placed on second base shall be called out if a proper appeal is made by the defensive team after a pitch (legal or illegal) or play and is upheld. A proper appeal may be made at any time the incorrect runner is on base. If the offensive team places the correct runner on base before a proper appeal is made there is no penalty.

1.2.5 SCORING RUNS
a) One run is scored each time a runner touches, in order, all three bases and home plate and before the third out of that half-inning.

b) When the tiebreaker is used, the runner starting at second base does not have to touch first base in order for a legal run to be scored.

c) A run does not score if the third and/or last out of the inning is a result of:

i. a batter-runner being out before they touch first base;
ii. a runner being forced out including on an appeal play;
iii. a runner leaving a base before the pitch is batted or reaches home plate; or
iv. a preceding runner being out.
d) Additional out appeals may be made after the third out to remove a run(s).

1.2.6 APPEAL PLAYS
On an appeal play, the runner will not be out unless the appeal is made legally.

a) An appeal may be made while the ball is live or dead, but the defense team loses the opportunity to make an appeal if it is not made:
   i. before the next legal or illegal pitch, except for an illegal substitute, unannounced player, illegal re-entry, replacement or withdrawn player and runners switching bases;
   ii. before all defensive players have left fair territory on their way to the bench or dugout area. If a fielder makes the appeal, the fielder must be in the infield when making the appeal;
   iii. in the case of the last play of the game, before the Umpires have left the field of play; or
   iv. at any time the incorrect runner is on base in a tie breaker inning.

b) DEAD BALL APPEAL. Once the ball has been returned to the infield and "TIME" has been called or the ball becomes dead, any defensive team member in the infield, with or without possession of the ball, may make an appeal on a runner missing a base or leaving a base too soon on a caught fly ball. A coach or manager may only make a dead ball appeal after stepping onto the playing field. The administering Umpire should acknowledge the appeal and then make a decision on the play. No runner may leave their base during this period as the ball remains dead until the next pitch.

   EXCEPTION: A runner who has left a base too soon on a caught fly ball or who has missed a base may attempt to return to such base while the ball is dead.
   i. If the ball goes out of play, the dead ball appeal cannot be made until the Plate Umpire places a new ball into the game.
   ii. If the pitcher has possession of the ball and is in contact with the pitcher's plate when making a verbal appeal, no Illegal Pitch is called.
   iii. If the Umpire has declared "PLAY BALL" and the pitcher then requests an appeal, the Umpire would again call "TIME" and allow the appeal process.

c) Additional out appeals may be made after the third out as long as they are made properly and are made to remove a run or to reinstate the correct batting order.

d) These are the types of appeal:
   i. missing a base;
   ii. leaving a base on a caught fly ball before the ball is first touched;
   iii. batting out-of-order;
   iv. attempting to advance to second base after reaching first base;
   v. illegal substitutions;
   vi. the use of an unannounced player under the Replacement Player Rule;
   vii. Illegal Re-entry;
   viii. runners switching positions on the bases they occupied; or
   ix. the use of an incorrect runner on second base in a tie breaker inning.

1.2.7 WINNER OF THE GAME
The winner of the game is the team that scores more runs than the other team scores in a regulation game.

a) The score of a called regulation game is the score at the end of the last complete inning unless the home team scores more runs than the visiting team in the bottom half of the incomplete inning. In this case, the score is that of the incomplete inning.

b) The score of a regulation tie game is the tie score when the game was terminated.

c) The score of a forfeited game is 7-0 in favor of the team not at fault.

1.2.8 GROUNDS FOR A PROTEST

a) A protest that will be received and considered includes matters of the following types:
   i. the misinterpretation of a Rule;
   ii. the failure of an Umpire to apply the correct Rule to a given situation; or
   iii. the failure to impose the correct penalty for a given violation;

b) After one pitch has been thrown (legal or illegal), no Umpire ruling can be changed.
c) At any time, a protest may be submitted to the appropriate authority other than the Plate Umpire for the eligibility of a team roster member.

1.2.9 PROTESTS
A protest may involve both a matter of judgment and the interpretation of a Rule.

An example of a situation of this type follows:
With one out and runners on second and third bases, the batter hits a fair fly ball that was caught. The runner on third tagged up after the catch but the player on second did not. The runner on third had crossed home plate before the ball was played at second base for the third out. The Umpire did not allow the run to score. The questions whether the runners left their bases before the catch and whether the play at second was made before the player on third crossed home plate are solely matters of judgment and may not be protested. The failure of an Umpire to allow the run to score was a misinterpretation of a Rule and was a proper subject for protest.

1.2.10 INVALID PROTESTS
No protest may be received or considered if it is based solely on a decision involving the accuracy of judgment by an Umpire, or if the team lodging the protest won the game. Examples of protests that will not be considered are:

a) whether a batted ball was fair or foul;
b) whether a runner was safe or out;
c) whether a pitched ball was a strike or a ball;
d) whether a pitch was legal or illegal;
e) whether a runner did or did not touch a base;
f) whether a runner left the base too soon on a caught fly ball;
g) whether a fly ball was or was not caught;
h) whether a fly ball was or was not an infield fly;
i) whether there was or was not an interference;
j) whether there was or was not an obstruction;
k) whether a player or live ball did or did not enter a dead ball territory or touch an object or person in a dead ball territory;
l) whether a batted ball did or did not clear a fence in flight;
m) whether the field is fit to continue or resume play;
n) whether there is sufficient light to continue play; or
o) any other matter involving only the accuracy of the Umpire’s judgment.

1.2.11 GIVING NOTICE OF A PROTEST
a) Other than for player eligibility, notice to protest must be given clearly to the Plate Umpire: (i) immediately before the next pitch, legal or illegal; (ii) if at the end of an inning, before all fielders leave fair territory on their way to the bench or dugout area; or (iii) if the last play of the game, before the Umpires have left the field of play.

b) Any notice of protest given in accordance with this Rule means that the remainder of the game is played under protest.
c) The manager or acting manager of the protesting team may give such notice. The Plate Umpire must notify the opposing manager and the official scorer.
d) All interested parties must take notice of the conditions surrounding the making of the decision that will aid in the correct determination of the issue.

1.2.12 DEADLINE TO FILE AN OFFICIAL PROTEST
An official written protest must be filed within a reasonable time.

a) In the absence of a league or tournament rule fixing the time limit for filing a protest, a protest should be considered if filed within a reasonable time, depending on the nature of the case and the difficulty in obtaining the information on which to base the protest.
b) Generally, 48 hours after the scheduled time of the contest is considered a reasonable time.

1.2.13 REQUIREMENTS FOR A FORMAL WRITTEN PROTEST
A formal written protest must contain the following information to be valid:

a) the date, time and place of the game;
b) the name(s) of the Umpires and scorer(s);
c) the Rule(s) or local rules under which the protest is made;
d) the decision and conditions surrounding the making of the decision; and
e) all essential facts involved in the matter protested.

1.2.14 RESULT OF PROTEST
The decision made on a protested game must result in one of the following.
a) The protest is found invalid and the game score as played remains unaltered.
b) When a protest is allowed for misinterpretation of a Rule, the
game is replayed from the point at which the incorrect decision
was made, with the decision corrected.
c) When a protest for ineligibility of a team roster member is
allowed, the game is forfeited by the offending team.

the bat grip; painting a bat at the top or bottom for other than
identification purposes; engraving an “ID” marking on the barrel end
of a metal bat; or attaching a “flare” or “cone” grip to bat. Replacing

mark for “ID” purposes anywhere on the bat is not an alteration.

3.1.11 INELIGIBLE REPLACEMENT PLAYER
An ineligible replacement player is a player who may not enter the game to replace a Withdrawn Player. An ineligible replacement player entering the game is considered an illegal re-entry. An Ineligible Replacement Player is one who:
   a) has been removed from the game by an Umpire for a Rule violation;
   b) is in the current line-up; or
   c) is not in the current line-up but eligible to re-enter the game.

3.1.12 INFIELDER
A defensive player, including the pitcher and catcher, who is generally positioned anywhere near or within the lines of the base paths forming fair territory. A player who normally plays in the outfield may be considered an infielder if they move into the area normally covered by infielders.

3.1.13 LINE-UP CARD
The list of starting players, substitutes and coaches that is given to the Umpire-In-Chief and/or the Plate Umpire and the official scorer before the start of the game. The Plate Umpire retains a line-up card for the duration of the game.

3.1.15 RE-ENTRY
When a starting player returns to the game after being substituted.

3.1.16 REMOVAL FROM THE GAME

3.1.17 REPLACEMENT PLAYER

3.1.18 ROSTER
The list of all players eligible to be entered on a team’s line-up card.

3.1.19 STARTING PLAYER

3.1.21 TEAM MEMBER

3.1.22 WITHDRAWN PLAYER

3.2 LINE UP AND ROSTERS

3.2.1 LINE-UP CARD
a) The line-up card contains:
   i. the last name, first name, position and uniform number of the starting players;
   ii. the last name, first name and uniform number of any available substitutes; and
   iii. the last name and first name of the manager.
b) A player’s name cannot be on the line-up card unless the player is present in uniform and in the team area.
c) An eligible roster player may be added to the substitute list at any time during the game.
d) A male roster will only contain male players and a female roster only female players.
e) If a uniform number is incorrectly given on the line-up card, a change may be made without penalty. If a player wearing an incorrect number violates any Rule, that Rule violation has precedence and must be enforced. If the player remains in the game following the violation, the number must be corrected before play may continue.

3.2.2 PLAYERS
a) Each team must have a minimum of ten (10) players in the line-up at all times. Using the EP, a team must have Eleven (11) players listed in the line-up.
   i. Ten Players: pitcher (F1), catcher (F2), first base player (F3), second base player (F4), third base player (F5), short stop (F6), left fielder (F7), left center fielder (F8), right fielder (F9) and right center fielder (F10).
   iii. Co-ed: Ten (10) players - (five males and five females) with the following positioning requirements: two male and two female in both the infield and the outfield, and one male and one female as pitcher and catcher. The batting order must alternate the genders.
b) Players of the team in the field may be stationed anywhere in fair territory at the start of each pitch, except for the catcher who must be in the catcher’s box and the pitcher who must be in a legal pitching position when the Umpire puts the ball in play. Co-ed slow pitch players must adhere to the position requirements set out above.
c) A team must have the required number of eligible players in the line-up at all times to continue a game.
3.2.3 STARTING PLAYERS

a) A starting player is official once the line-up card has been confirmed by the team representative and the Plate Umpire at the pre-game meeting at home plate.
b) The names, uniform numbers and positions may be entered on the line-up card in advance of the pre-game meeting.
c) In the case of injury or illness, the team representative may make changes to the line-up card at the home plate meeting prior to the line-ups being declared official. A listed substitute may take the place of an ill or injured starting player whose name is in their team’s starting line-up, and they would be considered the starting player and the other player may be a substitute.
d) The starting player so changed at the home plate meeting may enter the game as a substitute at any time later in the game.
e) All starting players, including the EP, may be substituted and re-enter the line-up once and must remain in the same batting position whenever they are in the line-up. A violation of this rule is considered an illegal re-entry.

3.2.4 EXTRA PLAYER

a) An Extra Player, referred to as the EP, is optional but if used must be made known prior to the start of the game, and the player’s name listed on the line-up card as one of the eleven hitters in the batting order.
b) If the EP is used, they must be used for the entire game.
c) If an EP is used, all eleven must bat and any ten can play defense. Defensive positions can be changed but the batting order must remain the same.
d) (CO-ED ONLY) If two EPs are used, all twelve must bat and any ten (five male and five female) may play defense. Defensive positioning may change as long as the Co-ed positioning is followed. The batting order must remain the same throughout the game.
e) The starting EP may re-enter the game one time after being substituted, as long as they return to the position in the batting order that they occupied when they left the game, other than as a Replacement Player.

EFFECTS

| Rule 3.2.4 b | Failure to complete the game with a EP |
| Effect | The game shall be forfeited to the non-offending team. |

| Rule 3.2.4 a & c-e | Violation of a provision |
| Effect | If a team violated any provisions or uses an Illegal EP, the player in violation shall be ejected. |

3.2.5 THE REPLACEMENT PLAYER

a) A replacement player may enter the game for a withdrawn player, provided they are of the same gender.
b) The withdrawn player must not return to the game until all bleeding ceases, the injury is cleaned and covered and, if necessary, the uniform is replaced, whether or not the uniform shirt has a different number. There is no penalty for using a different number; however, the Umpire must be informed of the change in numbers.
c) A replacement player may play for the withdrawn player for the remainder of the inning in progress and for the following complete inning. The withdrawn player may return to the game at any time during this period without being treated as a substitution. A replacement player is not considered a substitute. If the withdrawn player cannot return, after the remainder of the inning and after the completion of the next full inning, a legal substitution must be made.
d) A team representative must notify the Plate Umpire of all changes. Failure to do so subjects the player to being declared an illegal substitution, if legally appealed.
e) A replacement player may be:
   i. a listed substitute who has not yet been in the game;
   ii. a listed substitute who has been in the game but subsequently substituted from the game;
   iii. a starting player who is no longer in the line-up and who is no longer eligible to re-enter the game.
3.2.6 ENTERING THE GAME (SUBSTITUTIONS)
a) A substitute may take the place of any player in the team line-up. Multiple substitutions may be made for the player listed in the starting line-up, but no substitute may return to the game after being substituted from the line-up, except as a Replacement Player or coach. A substitute who re-enters the game as a player is an illegal re-entry.
b) A starting player and their substitute(s) may not be in the game at the same time.
c) A substitution must take place only when the ball is dead. The coach or team representative must immediately notify the Plate Umpire before the substitution is made. The substitute is not legally in the game until a pitch has been thrown or a play has been made. The plate Umpire will notify the scorer of the change.
d) A team representative must notify the responsible umpire of all line-up card changes. A proper appeal of the failure to do so that is upheld shall result in that player being declared an unreported substitution. There is no violation if the manager, coach, team representative or the player in violation notifies the Umpire prior to the offended team’s appeal.
e) If an injury prevents a batter, a batter-runner or a runner from advancing to an awarded base and the ball is dead, the batter-runner or runner may be substituted. The substitute will be allowed to proceed to awarded bases. The substitute must touch any awarded base(s) or missed base(s) not previously touched.
f) An ineligible player may not return to the game as a player.

3.3 APPEALS
a) Appeals must be made by a manager, coach or player before an Umpire may consider and make a decision on:
   i. an unreported substitution;
   ii. an illegal re-entry; or
   iii. an ineligible player.
b) An appeal for the above can be made at any time while the player is in the game.
**Effect**

| g) | After an upheld appeal for an unreported substitute or an illegal re-entry, the original player or their substitute is considered to have left the game. |
| h) | A substitute that is an illegal re-entry shall be subject to the penalty for the violation involved. |
| i) | A substitute that is a declared ineligible player will receive the penalty for that violation. |

**Illegal re-entry**

**Effect**

1. This is subject to appeal, which can be made anytime while the illegal re-entered player is in the game and does not have to be made before the next pitch.
   a) The head coach named on the line-up card and the illegal re-entered player are ejected.
   b) A legal substitute must replace the ejected illegal re-entered player before the game can continue.
   c) A new head coach must be named.
   d) If the illegal re-entry is also an unreported substitute, both effects must be applied.
   e) If an illegal re-entry is not appealed and if this results in both the illegal re-entry and the original player remaining in the game with the result that a number of consecutive players in the batting order become illegal re-entries:
      i. only the most recent illegal re-entry may be appealed; and if the appeal is successful this player and the head coach named shall be ejected;
      ii. the Effects for an illegal substitution also apply;
      iii. a legal substitute must be entered into the game for the ejected player and a new head coach named; and
      iv. all other illegal re-entries who are not the direct subject of the appeal must return to their original position in the batting order without being considered an illegal re-entry and all plays stand, except as noted.

**Ineligible Player**

**Rule 3.1.10 c and 3.1.11**

**Effect**

When a declared Ineligible player returns to the game, a forfeit is declared in favor of the non-offending team.

3.6 UMPIRES

3.6.1 POWER AND DUTIES

The Umpires are the representatives of the league or organization by which they have been assigned to a particular game, and as such, are authorized and required to enforce these Rules. They have the power to order a player, coach, captain or manager to do or omit to do any act that in their judgment is necessary to give force and effect to one or all of these Rules and to impose effects as herein prescribed. The Plate Umpire has the authority to make decisions on any situations not specifically covered in the Rules.

3.6.2 THE PLATE UMPIRE

The Plate Umpire is charged with the following responsibilities:

a) solely decide on the fitness of the playing field for a game;

b) take a position behind home plate and behind the catcher;

c) have full charge of, and be responsible for, the proper conduct of the game;

d) call all balls and strikes;
e) By agreement and in cooperation with the Base Umpire(s), call plays, hit balls, fair or foul, legal or illegal caught balls. On plays that necessitate the Base Umpire leaving the infield, the Plate Umpire shall assume the duties normally required of the Base Umpire in accordance with the relevant Umpire systems.

f) determine and declare whether
   i. batter bunchs or chops a ball; or
   ii. a batted ball touches the person or clothing of the batter.

g) render base decisions when required to do so;

h) determine when a game is forfeited; and

i) assume all duties when assigned as a single Umpire to a game.

3.6.3 THE BASE UMPIRE
   a) A Base Umpire will take such positions on the playing field as required in accordance with the relevant Umpire systems.
   b) A Base Umpire will assist the Plate Umpire in every way to enforce these Rules.

3.6.4 RESPONSIBILITIES OF A SINGLE UMPIRE
   If only one Umpire is assigned, their duties and jurisdiction will extend to all matters under these Rules. The Umpire's starting position for each pitch will be from behind home plate and behind the catcher. On each batted ball or play that develops, the Umpire will move out from behind the plate and into the infield to obtain the best position for any play that develops.

3.6.5 CHANGE OF UMPIRES
   An Umpire cannot be changed during a game by the consent of the teams unless they are incapacitated by injury or illness.

3.6.6 UMPIRE'S JUDGMENT
   a) There will be no appeal of any decision of any Umpire on the grounds that they were not correct in their conclusion as to whether a batted ball was fair or foul, a runner safe or out, a pitched ball a strike or ball or on any play involving accuracy of judgment. No decision rendered by any Umpire will be reversed, except where the Umpire is convinced it is in violation of one of these Rules. In case the manager, captain or either team seeks a reversal of a decision based solely on a point of the Rules, the Umpire whose decision is in question will if in doubt confer with their associate(s) before taking any action. Only the manager or the captain of a team is legally empowered to protest on a decision and seek its reversal on a claim that it is in conflict with these Rules.
   b) Under no circumstances will any Umpire seek to reverse a decision made by their associate(s) or criticize or interfere with the duties of their associate(s), unless asked to do so by them.
   c) The Umpires, in consultation, may rectify any situation in which the reversal of an Umpire's decision or a delayed call by an Umpire places a batter-runner or runner in jeopardy or places the defensive team at a disadvantage. This correction is not possible after one legal, or illegal, pitch has been thrown, or if all players on the defensive team have abandoned fair territory.

3.6.7 SUSPENSION OF PLAY
   a) Umpires will suspend play when, in their judgment, conditions justify such action.
   b) Play will be suspended when the Plate Umpire leaves their position to brush the plate or to perform other duties not directly connected with the calling of plays.
   c) The Umpire will suspend play whenever a batter or pitcher steps out of position for a legitimate reason.
   d) An Umpire will not call “TIME” after the pitcher has started the windup.
   e) An Umpire will not call “TIME” while any play is in progress.
   f) In case of injury, except in the Umpires' judgment with a serious injury (which may put the player in danger), “TIME” will not be called until all plays in progress have been completed or runners have been held at their base.
   g) Umpires will not suspend play at the request of a player, coach or manager until all action in progress by both teams has been completed or runners have been held at their base.
   h) When the ball is held by a player in the infield and in the opinion of an umpire all immediate play is apparently completed, TIME should be called.

    d) not make a scoring decision that is inconsistent or in conflict with these rules or an Umpire’s decision.

    d) There is only one charged defensive conference for every extra inning in an extra-innings game. A charged defensive conference not taken in an extra inning of a game may be carried over to any subsequent extra inning.
    e) A charged defensive conference ends when the defensive team member crosses the foul line returning to the dugout or a fielder returns to the field.

EFFECT

Rule 4.2.1 a | Excessive Defensive Conferences.
---|---
For the fourth and each additional charged defensive conference in a seven-inning game or for any charged defensive conference in excess of one per inning in an extra-innings game, the pitcher in the game during the conference is declared an illegal pitcher who may not pitch again for the remainder of the game but may play another fielding position.

Any ball that hits the bat or is hit by the bat and lands in fair or foul territory. No intention to hit the ball is necessary.

5.1.4  BATTER
An offensive player who enters the batter’s box with the intention of aiding their team to score runs. They continue to be a batter until they are declared out by the Umpire or become a batter-runner.

5.1.5  BATTER-RUNNER
A player who has finished a turn at bat but has not yet been put out or reached first base.

5.1.6  BATTING ORDER
The official listing of offensive players in the line-up in the order in which members of that team must come to bat.

5.1.7  BLOCKED BALL
A blocked ball is a batted, thrown or pitched ball:
   a) that becomes lodged in the fencing;
   b) that is touched, stopped or handled by a person not engaged in the game;
   c) that touches any object that is not part of the official equipment or playing territory; or
   d) that is touched by a defensive player who is in contact with the ground not part of the playing territory (the lines are considered part of the playing area); or
e) A thrown ball touching a base coach accidentally (in or out of the coaches box) is not a blocked ball and remains in play.

5.1.8 BUNT
A batted ball not swung at but intentionally met with the bat and tapped slowly within the playing field. Bunting is not allowed.

5.1.9 CATCH
When a fielder catches a batted or thrown ball with their hand(s), glove or mitt.

a) In establishing a legal catch, the fielder must hold the ball long enough to prove that the ball is securely held and/or that the release of the ball is voluntary and intentional. It is a valid catch if the player drops the ball after reaching into the glove to remove it or while in the act of throwing.

b) If the ball is merely held in the fielder’s arm(s) or prevented from dropping to the ground by some part of the fielder’s body, equipment or clothing, the catch is not completed until the ball is in the grasp of the fielder’s hand(s), glove or mitt.

c) In order to have a legal catch, the fielder’s feet must be within the field of play, touching the dead ball line or being in the air after leaving live ball territory. If the player has control of the ball when returning to the ground in ‘dead ball’ territory, it is a legal catch. A player who is in the dead ball territory and returns to the live ball territory must have both feet touching the playable territory prior to touching the ball in order to have a valid catch. It is a legal catch and the ball is live, when a fielder controls the ball in their hand(s), glove or mitt while standing on a collapsed flexible fence.

d) It is not a catch if a fielder (while gaining control) collides with another player, an Umpire or a fence, or falls to the ground and drops the ball as a result of the collision or falling to the ground.

e) A batted ball striking anything other than a defensive player while it is in flight is ruled the same as if it struck the ground.

5.1.10 CHARGED OFFENSIVE CONFERENCE
When the offensive team requests a suspension of play or delays play to allow the manager, or other team representative, to confer with any member of their team. This includes the batter, runner, on-deck batter and the coaches among themselves.

5.1.11 CHOPPED BALL
A hit ball where the better strikes downward on the ball with a chopping motion of the bat so that the ball bounces high into the air. Chopping the ball is not allowed.

5.1.12 DEAD BALL
A ball not in play and no further play can occur.

5.1.13 DELAYED DEAD BALL
A game situation in which the ball remains live until the conclusion of a play; when the entire play is completed, and if required, an Umpire will rule a dead ball and enforce the appropriate ruling.

5.1.14 DETACHED EQUIPMENT OR UNIFORM
When a fielder intentionally contacts or catches a fair batted, thrown or pitched ball with their cap, helmet, mask, protector, pocket, detached glove or mitt or any part of their uniform that is detached from its proper place on their person.

5.1.15 DISLODGED BASE
A base displaced from its proper position.

5.1.16 DOUBLE PLAY
A play by the defense in which two offensive players are legally put out as a result of continuous action.

5.1.17 FAIR BALL
A legally batted live ball:

a) that settles or is touched on or over fair territory between home and first base or between home and third base;

b) that bounds past first or third base on or over fair territory, regardless of where the ball hits after going over the base;

c) that touches first, second or third base;

d) that touches the person or clothing of an umpire or player while over fair territory;

e) that first falls on fair territory beyond first and third base;

f) that passes out of the playing field beyond the outfield fence while over fair territory;

g) that hits the foul line pole while in flight; or

h) that is judged a fair fly according to the relative position of the ball and foul line, including the foul pole, and not as to whether
the fielder is on fair or foul territory at the time of touching the ball. It does not matter whether the ball first touches fair or foul territory, as long as it does not touch anything foreign to the natural ground in foul territory and complies with all other aspects of a fair ball. The position of the ball at the time of interference determines whether the ball is fair or foul, regardless if the ball rolls untouched to foul or fair territory.

5.1.18 **FAKE TAG**
A form of obstruction where a fielder not in possession of the ball impedes the progress of a runner who is advancing or returning to a base. The runner does not have to stop or slide; merely slowing down when a fake tag is simulated constitutes obstruction.

5.1.19 **FLY BALL**
A ball batted into the air.

5.1.20 **FORCE OUT**
When a runner loses the right to the base that they are occupying because the batter becomes a batter-runner and before the batter-runner or a succeeding runner has been put out. On an appeal play the force out is determined by the force situation at the time the appeal is made; not at the time of the infraction. If the force has been broken by an out of a succeeding runner prior to the appeal then this is no longer a force out. If a forced runner, after touching the next base, retreats for any reason toward the base they last occupied, the force play is reinstated.

5.1.21 **FOUL BALL**
A legally batted ball that:
   a) settles on foul territory between home and first base or between home and third base;
   b) bounds past first or third on or over foul territory;
   c) first touches on foul territory beyond first or third base;
   d) touches the person, attached or detached equipment or clothing of an umpire or player, or any object foreign to the natural ground, while on or over foul territory;
   e) touches the batter or the bat in the batter’s hand(s) a second time while the batter is within the batter’s box;
   f) goes directly from the bat, not higher than the batter’s head, to any part of the catcher’s body or equipment and is caught by another fielder;
   g) hits the pitcher’s plate and rolls untouched to foul territory before reaching first or third base;
   h) is judged a foul ball, judged according to the relative position of the ball and the foul line, including the foul pole, and not as to whether the fielder is on fair or foul territory at the time of touching the ball. The position of the ball at the time of interference determines whether the ball is fair or foul, regardless if the ball rolls untouched to foul or fair territory.

5.1.22 **FOUL TIP**
   a) A batted ball that:
      i. goes directly from the bat to the catcher’s hands or glove;
      ii. goes no higher than the batter’s head; and
      iii. is legally caught by the catcher.
   b) any foul tip that is caught is a strike and is dead.
      It is not a catch if it is a rebound unless the ball first touched the catcher’s hand(s), glove or mitt.

5.1.23 **ILLEGALLY BATTED BALL**
When the batter contacts the ball:
   a) while one foot is completely out of the batter’s box and on the ground, when they make contact with the ball;
   b) while any part of the batter’s foot is touching home plate, when they make contact with the ball;
   c) while contacting the ball with an illegal, non-approved, or altered bat; or
   d) after they step with either foot entirely out of the batter’s box, and then return and make contact with the ball while within the batter’s box.

5.1.24 **ILLEGALLY CAUGHT BALL**
When a fielder catches a batted, thrown or pitched ball with their cap, mask, glove or or mitt or any part of their uniform while that item is detached from its proper place.

5.1.25 **IN FLIGHT**
Any batted, thrown or pitched ball that has not yet touched the ground or some object other than a fielder.

5.1.26 **INFIELD FLY**
A fair fly ball (not including a line drive) that can be caught by an infielder with ordinary effort when first and second, or first, second
and third bases are occupied, before two outs. The pitcher, catcher and any outfielder who positions themselves in the infield on the play will be considered infielders for the purpose of this rule.

5.1.27 IN JEOPARDY
When the ball is in play, and the offensive player may be put out.

5.1.28 INTENTIONAL BASE ON BALLS OR INTENTIONAL WALK
When the defensive team requests to place the batter on first base without pitching four balls. The ball is dead.

5.1.29 INTENTIONALLY DROPPED FLY BALL
A fair fly ball, including a line drive with less than two outs and a runner on first base that can be caught by an infielder with ordinary effort, and the infielder intentionally drops the ball after it is controlled with a hand, glove or mitt. A trapped ball or a fly ball that is allowed to bounce is not considered as having been intentionally dropped. If an infield fly is ruled, it has precedence over an intentionally dropped ball.

5.1.30 INTERFERENCE
The act of:
   a) an offensive player or team member who impedes, hinders or confuses a defensive player attempting to execute a play,
   b) an umpire who impedes a catcher’s attempt to throw out a runner who is off the base
   c) an Umpire or runner being hit with a fair untouched batted ball:
      i. prior to touching an infielder, including the pitcher;
      ii. prior to it passing an infielder, other than the pitcher; or
      iii. after passing a fielder, excluding the pitcher, and in the Umpire’s judgment another fielder had a chance to make an out;
   d) a spectator who enters or reaches into the playing field and impedes a fielder playing the ball or makes contact with the ball that a fielder is attempting a play on.

5.1.31 LINE DRIVE
A ball in flight that is batted sharply and directly into the playing field.

5.1.32 OBSTRUCTION
The act of:
   a) a defensive player or team member who hinders or prevents a batter from striking at or hitting a pitched ball;
   b) a fielder who impedes the progress of a batter-runner or runner who is legally running bases while:
      1) not in possession of the ball;
      2) not in the act of fielding a batted ball;
      3) making a fake tag without the ball;
      4) in possession of the ball and who pushes a runner off a base; or
      5) in possession of the ball, but not in the act of making a play on the batter-runner or runner.

5.1.33 ON-DECK BATTER
The offensive player whose name follows the name of the batter in the batting order.

5.1.34 OPTION PLAY
A play in which the offensive manager /coach is given the choice of taking the enforcement of the illegal action or the result of the play. Such option plays are:
   i. catcher obstruction;
   ii. use of an illegal glove or mitt;
   iii. an illegal substitution;
   iv. an illegal pitcher returned to game and pitching;
   v. a female batter on a two-out walk (Co-ed Only);
   vi. the delivery of the wrong size ball to the batter (Co-ed Only)

5.1.35 OVER-SLIDE
When a batter-runner or a runner slides past and loses touch with a base that they are attempting to reach, which causes them to be in jeopardy. A batter-runner may over-slide first base without being in jeopardy provided they immediately return to first base.

5.1.36 OVERTHROW
When a ball is thrown from one fielder to another and the ball goes beyond the boundary lines of the playing field or becomes a blocked ball.

5.1.37 PLAY
After a pitch and when the ball is live:
   a) a batter hits the pitch and runs to first base; or
   b) the defensive teams attempts to put out a batter-runner or runner.
5.1.38 **RUNNER**
A player of the team at bat who has finished a turn at bat, has reached first base, and has not yet been put out.

5.1.39 **STEALING**
Stealing is the prohibited act of a runner attempting to advance during or after a pitch to the batter. Runners may not attempt to advance when a pitched ball is not batted.

5.1.40 **STRIKE ZONE**
The space over any part of home plate between the batter’s back shoulder and the knees when the batter assumes their natural batting stance.

5.1.41 **TAG**
A tag is the action of a fielder in touching:
- a) a batter-runner or runner who is not in contact with a base, with the ball securely held in their hand(s) or glove. The ball is not considered as having been securely held if it is juggled or dropped by the fielder after tagging the batter-runner or runner, unless that player deliberately knocks the ball from the hand(s) or glove of the fielder. The runner must be tagged with the hand(s) or glove with which the ball is held; or
- b) a base with the ball securely held in their hand(s) or glove. The base may be touched with any part of the body to be a legal tag, (e.g., the fielder could touch the base with a foot, with a hand, sit on the base, etc.) This would apply to any force out or appeal situation.

5.1.42 **TAGGING UP**
The action of a runner returning to their base, or remaining on their base, before they legally advance on a batted fly ball that is first touched by a fielder.

5.1.43 **THROW**
The act of one fielder throwing the ball to another fielder.

5.1.44 **TRAPPED BALL**
- a) A legally batted fly ball or line drive that hits the ground or a fence prior to being caught.
- b) A legally batted fly ball that is caught against a fence with the glove, mitt or hand.
- c) A thrown ball to any base for a force out that is covered with the glove or mitt over the ball on the ground rather than under the ball.

5.1.45 **TRIPLE PLAY**
A continuous action play by the defense in which three offensive players are put out.

5.1.46 **TURN AT BAT**
Begins when a player first enters the batter’s box and continues until the batter is out or becomes a batter-runner.

5.1.47 **WILD THROW**
A throw in which the ball thrown from one fielder to another cannot be caught or controlled and remains in play.

5.2 **CHARGED OFFENSIVE CONFERENCE**
- a) It is not a charged conference when a pitcher is putting on a warm-up jacket while on base or when the offense confers while the defensive team is in conference or the game is suspended, provided that the offense is ready to play when the defense is ready, or the Umpire restarts the game.
- b) Only one charged conference per inning is permitted. This includes batter, runner, on-deck batter and the coaches amongst themselves.

**EFFECT**

5.3 **ON-DECK BATTER**
- a) At the start of an inning, this is the lead-off batter who must remain in the on-deck circle until called to the batter’s box.
- b) Once an inning has started, this is the offensive player who, in the batting line-up, is the next player to enter the batter’s box.
- c) The on-deck batter:
  - i. may take a position within either on-deck circle so that they...
are behind the batter and not on the batter’s open side. The lead-off batter in each half inning must use the on-deck circle closest to their own dugout;

- if a youth player, must wear an approved helmet;

- may loosen up with no more than two official softball bats, an approved warm-up bat or a combination not to exceed two. A bat with which the on-deck batter is loosening up may not have anything attached to it other than a WBSC approved bat attachment;

- may leave the on-deck circle:
  1. when they become the batter;
  2. to direct runners advancing from third to home plate; or
  3. to avoid possible interference on a fly ball or thrown ball.

- Must not interfere with a defensive player’s opportunity to make a play.

### 5.4 BATTING

#### 5.4.1 BATTING ORDER

a) The batting order must be followed throughout the game, unless a player is replaced by a substitute who takes the place of the player they replace in the batting order.

b) The batting order shall alternate the sexes (Co-ed)

c) The first batter in each inning must be the batter whose name follows that of the last batter who completed a turn at bat in the preceding inning.

d) When the third out in an inning is made before the batter has completed their turn at bat that batter must be the first batter in the next inning. The ball and strike count is canceled.

e) A player bats out of order when they fail to bat in the proper sequence as listed on the line-up card.

</tr>
</tbody>
</table>

a) When the error is discovered while the incorrect batter is at bat the correct batter may legally take their place and assume the ball and strike count of the incorrect batter.

b) When the error is discovered after the incorrect batter has completed their turn at bat and before a legal or illegal pitch has been made to another batter:

- the player who should have batted is out;
- any advance or score made as a result of the improper batter becoming a batter-runner will be nullified. Any out that is made prior to discovering this infraction remains out.

- the next batter is the player whose name follows that of the player called out for failing to bat. If the next player was the incorrect batter who was called out, go to the next person in the line-up;

- if the player who was the improper batter was called out, their turn at bat shall not take place in the same inning, unless all other batters in the batting order have completed their turn at bat. If their turn at bat occurs before this occurs, go to the next batter;
Effect

v. if the batter declared out under these circumstances is the third out, the correct batter in the next inning will be the player who would have come to bat had the player been put out by ordinary play.

vi. if the third out is made on a runner prior to the discovery of the infraction, an appeal may still be made in order to reinstate the correct batting order. This appeal, if made, does not result in an additional out.

c) If the error is discovered after the first legal or illegal pitch to the next batter:

i. the turn at bat of the incorrect batter is legal;

ii. all runs scored and bases run are legal;

iii. the next batter in order will be the one whose name follows that of the incorrect batter;

iv. no one is called out for failure to bat;

v. players who have not batted and who have not been called out have lost their turn at bat until reached again in the regular order.

d) No runner will be removed from the base they are occupying to bat in their proper place. They merely miss their turn at bat with no penalty. The batter following in the batting order becomes the legal batter. This does not apply to a batter-runner who has been taken off the base by the Umpire.

5.4.2 BATTING REQUIREMENTS

a) A youth batter must wear an approved helmet.

b) A batter must take their position in the batter’s box within 10 seconds after the Plate Umpire declares “PLAY BALL.”

c) No person may erase the batter’s box lines at any time in the pre-game meeting or during a game.

d) The batter must have both feet completely within the batter’s box prior to the start of the pitch. The batter’s feet may touch the lines, but no part of a foot may be outside the lines prior to the pitch.

e) After the batter first enters the batter’s box, they must keep at least one foot entirely inside the batter’s box between pitches, unless:

i. after a ball that is hit fair or foul;

ii. a swing or an attempted swing that includes a slap or checked swing and the momentum of the swing or attempted swing carries the batter out of the batter’s box;

iii. forced out of the box by a pitch;

iv. “TIME” is called;

v. the pitcher leaves the pitcher’s area or the catcher leaves the catcher’s box; or

vi. with a three-ball count the umpire calls a “STRIKE” and the batter thinks the pitch was a ball.

5.4.3 BALLS AND STRIKES

Each legally pitched ball that is not hit by the batter is called a ball or a strike by the Plate Umpire.

a) A ball is called and the ball is dead:

i. when a batter does not swing at a pitched ball that does not enter the strike zone, touches the home plate or touches the ground before reaching the home plate;

ii. when the batter swings at a pitched ball after the ball hits the ground or home plate;

iii. when the catcher fails to return the ball directly to the pitcher as required; or

iv. when the pitcher fails to pitch the ball within 10 seconds:

v. for each illegally pitched ball not swung at the batter;

vi. when a delivered ball hits the batter outside of the strike zone;

vii. when at any time a defensive player erases the lines of a batter’s box, a ball will be called on the offensive team batter currently at bat or the next scheduled offensive team batter. A pitch does not have to be thrown.

b) A strike is called, the ball is dead and runners must return to their bases without liability to be put out but need not touch intervening bases:

i. when any part of a pitched ball enters the strike zone before touching the ground and the batter does not swing.

ii. for each pitched ball, including an illegal pitch, struck at and missed by the batter. The batter cannot legally swing at any pitched ball that hits the ground or plate. However, if the batter swings and misses the pitched ball prior to the ball hitting the ground or plate, it is a strike, or

iii. for each foul tip. The batter is out if it is a third strike.

iv. when a pitched ball hits the batter while the ball is in the strike zone;

v. for each pitched ball swung at and missed which touches any part of the batter;

vi. For each foul ball, including the third strike.
vii. when any part of the batter’s person or clothing is hit with a batted ball while they are in the batter’s box and they have less than two strikes;
viii. when the batter fails to enter the batter’s box within 10 seconds after the Umpire calls “PLAY BALL!” A pitch does not have to be thrown;
ix. when an offensive team member deliberately erases the lines of the batter’s box.
   1. If a batter erases the lines, the Umpire will call a strike. A pitch does not have to be thrown;
   2. When the coach or non-playing team member erases the lines, a strike will be called on the next scheduled batter (or their substitute) in the line-up. A pitch does not have to be thrown;
   3. Should any person continue to deliberately erase a line after a first offense, that person will be ejected from the game.
x. when the batter steps out of the batter’s box with both feet and delays the game and none of the exceptions apply. A pitch does not have to be thrown.

5.4.4 THE BATTER IS OUT

a) and the ball is declared dead and runner must return to the base that was occupied at the time of the pitch but need not touch the intervening bases when the batter:
   i. swings for a third strike and misses and the ball touches any part of the batter’s person or not swung at and the pitched ball hits the batter while the pitch is in the strike zone;
   a youth player fails to wear a batting helmet when ordered to do so by the Umpire;
   iii. enters the batter’s box with or is discovered using an altered bat or an illegal bat. In this case, the bat is removed from the game. If the bat is altered the batter is ejected from the game;
   iv. foot completely outside the lines of the batter’s box and touching the ground or any part of the foot is touching home plate when they make contact with the ball;
   v. leaves the box to gain a running start but has returned to the box when they make contact with the ball. If no contact is made, there is no penalty;
   vi. when they bunt or chop the ball;

b) and the ball is declared dead and a runner must return to the last base that, in the Umpire’s judgment, was touched at the time of the interference when the batter:
   i. hinders the catcher from catching or throwing the ball by stepping out of the batter’s box;
   ii. intentionally hinders the catcher while standing within the batter’s box;
   iii. intentionally interferes with a thrown ball while in or out of the batter’s box.

5.5 BATTER-RUNNER

5.5.1 THE BATTER BECOMES THE BATTER-RUNNER

a) when they legally hit a fair or foul ball. The ball is live on a fair ball or on a caught foul fly ball. The ball is dead on a grounded foul ball.

b) must advance to and touch first base:
   i. when four balls are called by the plate Umpire and the ball is dead or
   ii. when the defensive team elects to intentionally walk a batter by any one of the pitcher, catcher or head coach notifying the Plate Umpire
   1) The notification to the Plate Umpire will be considered a pitch. The notification can occur at any time prior to the batter beginning and completing their turn at bat, regardless of the count.
   2) If two batters are to be walked intentionally, the second
intentional walk may not be administered until the first batter-runner reaches first base. If the Umpire mistakenly allows two walks at one time and the first batter fails to touch first base, no appeal for missing first base will be honored on the first batter.

3) In Co-ed, any walk to a male batter, intentional or otherwise, will result in a two base award. The female batter will bat, except if there are two out, the female batter has the option to walk or bat. Once the batter enters batter’s box, or reaches first base, the option is considered to have been selected and cannot be changed. Should the female batter-runner pass a male batter-runner when choosing to walk, no out shall be called during this dead ball period.

4) The ball is dead and runners cannot advance unless forced.

c) when the catcher or any other defensive player obstructs, hinders or prevents the batter from striking at or hitting a pitched ball.

d) when a fair untouched batted ball strikes the person, attached equipment or clothing of the Umpire or a runner.

e) a home run is declared in the following circumstances when a fair batted fly ball:
   i. goes over the fence over fair territory;
   ii. goes directly off the fielder’s glove or body and over the fence in fair territory, or makes contact with the top of the fence and goes over the fence in fair territory;
   iii. contacts the foul pole above the fence line; or
   iv. is contacted by a fielder, who is in dead ball territory and the ball, in the judgment of the umpire, would have gone over the fence in fair territory.

   It is not a home run if:
   1. the fair batted ball passes out of the grounds at a distance less than those prescribed in Rule 2, Appendix 1A (Official Dimensions of the Playing Field) and Appendix 1f (Quick Reference table) which should be marked for the Umpire’s guidance;
   2. a fair batted fly ball goes off a fielder’s glove or body and over the fence in foul territory;
   3. a fair batted ball first contacts the fence, deflects off a fielder and then goes over the fence; or

4. a fair batted ball is contacted by a fielder, who is in dead ball territory and in the judgment of the Umpire, the ball would not have gone over the fence in fair ball territory.

f) when any person, other than a team member enters into the playing field and interferes with:
   i. a fair batted ground ball;
   ii. a fielder about to field batted fly ball or a thrown ball;
   iii. a fielder about to throw a ball; or
   iv. a ball thrown by a fielder.

5.5.2 THE BATTER-RUNNER IS OUT

a) The ball remains live and a runner may advance at their own jeopardy when:
   i. a fielder legally catches a fly ball before it touches the ground or any other object or person other than a defensive player;
   ii. after hitting a fair ball, a batter-runner is tagged while off base or is thrown out prior to reaching first base;
   iii. they fail to advance to first base and instead enter their team area
      1. after a fair ball is hit;
      2. after a base on balls is issued; or
      3. anytime that they must legally advance to first base, unless they are injured and must receive treatment, while the ball is dead;
   iv. an infield fly is declared;
   v. after they hit a fair ball, they touch only the fair portion of the double base on their first attempt at that base and a play is made at the base. This is an appeal play for missing the base. The defensive team loses the privilege of putting the batter-runner out if, after over running the base, the appeal is not made before the batter-runner returns to the fair portion of first base;
   vi. they run more than one (1) meter (three 3ft) from the base path to avoid being touched by the ball in the hand(s) of a fielder; or
   vii. when anyone, other than another runner, physically assists a runner on a fly ball, the batter-runner is out if the fly ball is caught.

b) The ball is declared dead, a runner must return to the last base legally touched at the time of the pitch but need not touch the intervening bases when the batter-runner:
   i. fails to wear an approved helmet when ordered to do so by the Umpire;
   ii. runs outside the one (1) meter (three 3ft) line and, in the Umpire’s judgment, interferes with:
      1. the fielder taking a throw at first base; or
      2. the thrown ball, preventing a fielder from making a throw at first base. A thrown ball striking a batter-runner does not necessarily constitute interference;
   iii. interferes with a fielder attempting to field a batted ball. A batter-runner may run outside the one-meter line to avoid a fielder attempting to field the batted ball;
   iv. interferes with a fielder attempting to throw a ball;
   v. intentionally interferes with a thrown ball;
   vi. interferes with a fair-batted ball (out of the batter’s box) before reaching first base;
   vii. throws their bat after batting the ball in such a manner as to cause interference with a fielder’s opportunity to make an out;
   viii. when the on-deck batter interferes with a defensive player attempting to catch a fly ball or with a fly ball that a fielder is attempting to catch;
   ix. a member of the team at bat who is not the batter, batter-runner, runner or on-deck batter interferes with a fielder attempting to catch a batted foul ball over foul territory or with a batted fly ball over foul territory that a fielder is attempting to catch. If, in the Umpire’s judgment, the interference is an obvious attempt to prevent a double play, the runner closest to home plate at the time of the interference will also be called out;
   x. intentionally interferes with a play at home plate to prevent an obvious out at the plate. If, in the Umpire’s judgment, the interference is intentional interference with a play at home plate, the runner is also out;
   xi. steps back towards home plate to avoid or delay a tag by a fielder;
   xii. when in a force play situation, they touch only the fair portion of the double base and collide with a fielder who is about to catch a thrown ball and who is also using the fair portion of the base; or
   xiii. with less than two outs and a runner on first base, a fielder intentionally drops a fair fly ball (including a line drive) that could be caught by an infielder with ordinary effort, after it is controlled with a hand or glove. A trapped ball, or a fly ball allowed to bounce, shall not be considered as having been intentionally dropped.

c) A runner must return to the last base that, in the Umpire’s judgment, was touched at the time of the interference and the ball is dead when:
   i. the immediately preceding runner who is not yet out intentionally interferes, in the Umpire’s judgment, with a fielder attempting to
2022-2025  |  OFFICIAL RULES OF SOFTBALL  |  SLOW PITCH

1. catch a thrown ball; or
2. throw a ball in an attempt to complete the play;

ii. a person other than a team member enters the playing field and interferes with:
1. a fielder about to catch a fly ball; or
2. a fly ball that a defensive player, in the judgment of the Umpire, is able to catch. The ball is declared dead. Runners are awarded the bases they would have obtained, in the umpire’s judgement, had the interference not occurred.

**EFFECTS**

- **Rule 5.5.2 a) iv** An infield fly is declared

**Effect**

The ball is live and a runner may advance at the risk of the ball being caught, or retouch and advance after the ball is touched, the same as on any fly ball. If a declared fly ball becomes a foul ball, it is treated the same as any foul ball.

- If a declared infield fly is allowed to fall untouched to the ground, and bounces foul before passing first or third base, it is a foul ball.
- If a declared infield fly ball falls untouched to the ground outside the baseline, and bounces fair before passing first or third base, it is an infield fly.

- **Rule 5.5.2 b) ii to xi** Batter-runner causes interference

**Effect**

EXCEPTION: If a play on a runner is made prior to the interference and:
1) an out is made on the runner, the result of the play will stand.
2) no out is made on the runner, the result of that play will stand unless the interference by the batter-runner is the third out. Other runners not played on must return to the base legally held at the time of the pitch.

- After over-running the base, the batter-runner must return to the fair portion.
- On a ball hit to the outfield when there is no play being made at the double base, the batter-runner may touch either portion of the base.

- **Rule 5.5.2 c) i** Immediate preceding runner causes interference

**Effect**

The runner is also out.

5.6 **DOUBLE BASE**

The following apply when the double base is used.

a) The batter-runner is subject to the following.
   i. A batted ball hitting the fair portion is declared fair and a batted ball hitting the foul portion only is declared foul.
   ii. A defensive player must use only the fair portion of the base at all times, except on any live ball play made from first base foul territory. The batter-runner and the defensive player may use either portion of the double base. When the defensive player uses the foul portion of the double base, the batter-runner can run in fair territory and if hit by a throw from the foul side of first base, it would not be interference. If intentional interference is ruled, the batter-runner would be out. The one-meter line is duplicated on either side of the foul line on throws from foul territory.
   iii. If a play is made at first base on any batted ball, the batter-runner touches only the fair portion, and if the defense appeals prior to the batter-runner returning to the fair portion of first base, the batter-runner is out. This is treated the same as missing the base and is an appeal.
   iv. After over-running the base, the batter-runner must return to the fair portion.
   v. On a ball hit to the outfield when there is no play being made at the double base, the batter-runner may touch either portion of the base.

b) The following applies to a runner.
   i. After over-running the base, the runner must return to the fair portion.
   ii. When tagging up on a fly ball, the fair portion must be used.

5.7 **USING AN ILLEGAL GLOVE OR MITT**

When a fielder makes a play on a batter-runner or runner while using an illegal glove, the manager of the offended team has the option of:

a) taking the result of the play;
b) in the case of the batter-runner, having the player resume batting, assuming the ball and strike count prior to the pitch, with other runners returned to the last base legally touched at the time of the pitch; or
c) in the case of a runner, having the play nullified, with runners returning to the last base legally touched at the time of the
play. If the play was the result of completion of the batter’s turn at bat, that player resumes batting with the ball and strike count they had prior to completing their turn at bat and runners are returned to the bases held at the time of the pitch. A pitch by the pitcher is not considered making a play.

5.8 REMOVAL OF HELMET
a) When the ball is live, a batter, batter-runner or runner will be declared out when they deliberately wear a helmet improperly or deliberately remove the helmet during a live ball play, other than a home run over the fence. Calling a batter-runner or runner out for deliberately removing their helmet does not cancel any force play situation; however if a helmet is accidently dislodged from its proper place on a batter, batter-runner or runner, there is no penalty.

b) The ball is dead and a runner must return to base last touched at the time of contact:
   i. when a thrown ball or batted ball makes contact with the deliberately removed helmet, or a fielder comes into contact with the deliberately removed helmet while attempting to make a play.
   ii. when a thrown or batted ball contacts the accidently dislodged helmet and this contact interferes with the play being made; or when a defensive player comes into contact with the helmet while it is on the ground and this contact prevents them from making a play and the batter-runner or runner who was wearing the helmet that was accidently dislodged is out, even if they have scored. The run is nullified.

c) When a runner is returning to a base while the ball is dead, they need not touch the intervening bases unless they have missed a base, in which case they are subject to a legal appeal if they fail to retouch the missed base.

d) When a runner or batter-runner acquires the right to a base by touching it before being put out, they are entitled to hold the base until they have legally touched the next base in order, or are forced to vacate it for a succeeding runner. The ball is in play and runners may advance however are in jeopardy to be put out.

e) When a runner dislodges a base from its proper position, neither they nor succeeding runner(s) in the same series of plays are compelled to follow a base unreasonably out of position. The ball is in play and runners may advance or return with jeopardy to be put out.

f) Two runners may not occupy the same base at the same time. The runner who first legally occupied the base is entitled to it unless forced to advance. The other runner may be put out by being tagged with the ball.

g) The failure of a preceding runner to touch a base in regular order or to leave a base legally on a caught fly ball and who is declared out does not affect the status of a succeeding runner who touches bases in proper order. If the failure to touch a base in regular order or to legally tag up on a caught fly ball is the third out of an inning, no succeeding runner may score a run.

h) No runner may return to touch a missed base or one left illegally, after a following runner has scored, or they have left the field of play.

i) Bases left too soon on a caught fly ball must be retouched prior to advancing to awarded bases.

j) Awarded bases must be touched in legal order.

5.10 RUNNERS

5.10.1 A RUNNER MAY ADVANCE WITH JEOPARDY TO BE PUT OUT WHILE THE BALL IS LIVE
a) when a pitched ball is batted;
b) on a thrown or fair batted ball that is not blocked;
c) on a thrown ball that hits an umpire or an offensive player or a base coach;
d) when a legally caught fly ball is first touched;
e) when a fair untouched batted ball:
   i. strikes an Umpire or runner after passing a fielder other than the pitcher and no other fielder had a chance to make an out;
   ii. has been touched by a fielder, including a pitcher; or
   iii. when the ball strikes a photographer, groundskeeper, policeman, etc., assigned to the game.
f) when a live ball becomes lodged in a defensive player’s uniform or equipment;
g) when at any time they fail to touch a base they are entitled to before attempting to make the next base;
h) when, after overrunning first base, they attempt to continue to second base;
i) when, after dislodging a base, they attempt to continue to the next base;
j) when, advancing beyond an entitled base due to:
   i. a fielder intentionally contacting a thrown ball with detached equipment;
   ii. a fielder intentionally contacting a fair batted ball with detached equipment; or

5.10.2 BASES AWARDED TO RUNNER(S) FOR OBSTRUCTION
When any obstruction occurs, including a rundown:

a) a delayed dead ball will be signaled with the ball remaining live until the end of the play;
b) the obstructed runner and each other runner affected by the obstruction will be awarded the base or bases they would have reached, in the Umpire’s judgment, had there been no obstruction. If the Umpire feels there is justification, a defensive player making a fake tag may be ejected from the game;
c) if the obstructed runner is put out prior to reaching the base they would have reached had there not been obstruction, a dead ball is called. The obstructed runner and each other runner affected by the obstruction will be awarded the base, or bases, they would have reached, in the Umpire’s judgment, had obstruction not occurred;
d) an obstructed runner may never be called out between the two bases where they were obstructed, unless:
   i. if the obstructed runner commits an act of interference after the obstruction is ruled, or the runner is legally appealed for
      1. missing a base, unless the runner has been obstructed at that base and the obstruction prevents them from touching the base;
      2. leaving a base before a fly ball was first touched; or
      3. after passing the base they would have reached had there not been obstruction, the obstructed runner may be called out and the ball remains live;

ii. if the obstructed runner safely obtains the base they would have been awarded, in the Umpire’s judgment, and there is a subsequent play on a different runner, the obstructed runner is no longer protected between the bases where the runner was obstructed, and may be put out. The ball remains live. Obstructed runners are still required to touch all bases in proper order, or they could be called out on a proper appeal by the defensive team unless the runner was obstructed from touching that base.

5.10.3 A RUNNER IS OUT

a) A runner is out and the ball remains live when:
   i. while running to any base in regular or reverse order, they run more than one (1) meter (three (3) feet) from the base path to avoid being tagged;
ii. the ball is in play, they are not in contact with a base and they are tagged;

iii. on a force play, and before the runner contacts the base to which they are forced to advance, a fielder, while controlling the ball in their hand(s) contacts the base or touches the ball to the base or tags the runner;

iv. they fail to return to touch the base previously occupied or missed and a legal appeal is made;

v. anyone, other than another runner, physically assists a runner while the ball is in play. When the ball becomes dead after a home run, uncaught foul ball or an award of bases the ball remains dead;

vi. they physically pass a preceding runner before that runner has been called out. The ball remains live. The runner is not out if the ball becomes a foul ball or an uncaught fly foul ball or a if a runner passes a preceding runner on a dead ball play. The ball remains dead.

vii. they leave their base to advance to another base before a caught ball has touched a fielder;

viii. they fail to touch the intervening base, or bases, in regular or reverse order unless they are obstructed from doing so;

ix. the batter-runner becomes a runner by touching first base, passes it, then attempts to run to second base and is tagged, while off base;

x. in running or sliding for home plate, they fail to touch it, make no attempt to return to it, and a fielder controls the ball while touching the plate and appeals to the Umpire for a decision;

xi. they abandon a base and enter their team area, or leave the field of play, while the ball is live;

xii. they are positioned behind, and not in contact with, a base to get a running start on any fly ball; or.

xiii. when runners switch positions on the bases.

b) A runner is out and the ball is dead when:

i. youth players only fail to wear an approved batting helmet when ordered to do so by the Umpire;

ii. they fail to keep contact with the base to which they are entitled, until a legally pitched ball reaches home plate, or touches the ground or home plate or is batted. A “NO PITCH” is declared and other runners must return to the last base legally held at the time of the pitch;

iii. the batter-runner is declared out for interfering with a play at home plate, in an attempt to prevent an obvious out on an advancing runner at the plate. The advancing runner is out and the other runners must return to the last base held at the time of the pitch.

c) A runner is out, the ball is dead and other runners must return to the last base legally held at the time of the interference, blocked ball or the out declared, unless forced to advance because the batter became a batter-runner when:

i. they are struck with an untouched fair batted ball while off base and, in the Umpire’s judgment, any fielder had an opportunity to make an out;

ii. they intentionally kick a ball that a fielder has missed;

iii. they interfere with a fielder attempting to field a fair batted ball, regardless of whether the ball has been first touched by the fielder or by another fielder, including the pitcher or interferes with a fielder throwing a ball or intentionally interferes with a thrown ball;

iv. they interfere with a fielder attempting to catch a batted foul fly ball or with a foul fly ball that a fielder is attempting to catch. If the interference is, in the Umpire’s judgment, an obvious attempt to prevent a double play the immediate succeeding runner will be called out. If this is the third strike, the batter-runner is also out, unless the third out of the inning was the runner’s interference call, in which case the batter-runner shall be deemed to have completed their turn at bat.

v. the runner closest to home plate at the time of interference is called out if after a runner, batter or batter-runner has been declared out, or after a runner has scored, the runner, batter or batter-runner interferes with a defensive player’s opportunity to make a play on another runner. A runner continuing to run and drawing a throw will be considered interference;

vi. one or more members of the offensive team stand at or collect around, a base to which a runner is advancing, thereby confusing the fielders and adding to the difficulty of making the play. Members of a team include batboy or any other person authorized to sit on the team’s bench;

vii. the coach near third base runs in the direction of home plate on or near the baseline, while a fielder is attempting to make
a play on a batted or thrown ball, and thereby draws a throw to home plate. It is the runner who is closest to home plate who is called out;

viii. a coach, in or out of the coach’s box, or any member of the team playing offense, who is not a batter, batter-runner, on-deck batter or runner intentionally interferes with a thrown ball, or interferes with the defensive team’s opportunity to make a play on a runner, or batter-runner. The runner closest to home plate at the time of the interference is called out;

ix. a defensive player has the ball and is waiting for the runner and the runner remains on their feet and deliberately crashes into the defensive player. If the act is determined to be flagrant, the offender will be ejected;

x. they run bases in reverse order, or off the base line, while not attempting to advance, either to confuse the fielders or to make a travesty of the game;

xi. when the on-deck closest to batter interferes with a defensive player’s attempt to retire a runner or a batter-runner, the runner home plate will be called out;

xii. the batter-runner is declared out for intentionally interfering with a play at home plate in an attempt to prevent an obvious out on an advancing runner at the plate. The advancing runner is out and all other runners must return to the base held at the time of the pitch; or

xiii. non-official offensive equipment causes a blocked ball (and creating interference), and the runner is being played on. If this player has scored prior to the blocked ball being ruled, the runner closest to home is called out.

**Rule 5.10.3 c through iii**

If this interference, in the judgment of the Umpire, is an obvious attempt to prevent a double play, the immediate succeeding runner shall also be called out.

**5.10.4 THE RUNNER IS NOT OUT**

The runner is not out:

a) when they run behind, or in front of the fielder and outside the base path, in order to avoid interfering with a fielder attempting to field the batted ball in the base path;

b) when they do not run in a direct line to the base, provided the fielder in the direct line does not have the ball in his possession;

c) when more than one fielder attempts to field a batted ball and the runner comes in contact with the one who, in the Umpire’s judgment, was not entitled to field the ball;

d) when they are hit with a fair untouched batted ball while off base that, in the Umpire’s judgment, no fielder had an opportunity to make an out;

e) when they are hit with a fair untouched batted ball over foul territory and, in the Umpire’s judgment, no fielder had an opportunity to make an out;

f) when they are hit with a fair batted ball after it touches, or is touched by, any fielder, including the pitcher, and they could not avoid contact with the ball;

g) when they are hit by a live fair untouched batted ball while in contact with their base, unless they intentionally interfere with
the ball, or a fielder making a play. The ball is dead or remains live, depending on the position of the fielder closest to the base at the time the ball contacts the runner:

i. the ball remains live if the fielder closest to the base is positioned ahead of the base;

ii. the ball is dead if the fielder closest to the base is positioned behind the base.

h) when they are touched while off base:

1. with a ball not securely held by a defensive player; or

2. with a hand or glove of a defensive player and the ball is in the other hand;

i) when the defensive team does not request the Umpire’s decision on an appeal play until after the next legal or illegal pitch, until after all defensive players have left fair territory on their way to the bench or dugout or in the case of the last play of the game, before the umpires have left the field of play;

j) when a batter-runner becomes a runner, by touching first base, passing it and then returning directly to the base;

k) when they are not given sufficient time to return to a base. They will not be called out for being off base before the pitcher releases the ball and they may advance as though having left the base legally;

l) when they have legally started to advance. They may not be stopped by the pitcher receiving the ball while on the pitcher’s plate, nor by the pitcher stepping onto the plate while holding the ball;

m) when they hold their base until a fly ball touches a fielder and then attempt to advance;

n) when they slide into a base and it dislodges from its proper position. The base is considered to have followed the runner. A runner reaching a base safely will not be out for being off that base if it becomes dislodged. They may return to that base without jeopardy to be put out when the base has been replaced. A runner is in jeopardy if they attempt to advance beyond the dislodged base before it is again in proper position;

o) when a coach unintentionally interferes with a thrown ball or batted ball while in the coach’s box; or

p) when the ball contacts non-official offensive equipment and no apparent play is obvious.

</table>
| a) One Base Award | i. The batter-runner is awarded first base, provided they advance and touch first base and all other runners advance one base, if forced, from the time of the pitch, in the following circumstances:

1) when four balls have been called by the plate Umpire; the ball is dead;

2) when an intentional walk is issued; the ball is dead;

3) when the batter is obstructed and the offensive team takes the option to have the batter awarded first base; the ball is dead;

4) when a batted ball is contacted by an Umpire or runner before passing a fielder, excluding the pitcher; the ball is dead.

ii. The ball is dead and the runner(s) are awarded one base in the following circumstances:

1) when a fielder unintentionally carries a ball out of the playing field, the award is from the time the fielder left the field of play. A fielder carrying a live ball into the dugout or team area to tag a player is considered to have unintentionally carried it there.

2) when a player losses possession of the ball during a play and the ball enters the dead ball territory, the award is from the base last touched at the time the ball entered the dead ball territory.

3) when defensive equipment causes a blocked ball, the award is from the base last touched at the time of the pitch on a pitched ball. |
b) Two Base Award

i. The batter-runner and runner(s) are awarded two bases from the time of pitch in the following circumstances and the ball is dead:
   1) when a fair batted ball passes out of the playing field at a distance less than the dimensions of a regulation field.
   2) when a fair batted fly ball hits a fielder’s glove or body and lands over the fence in foul territory.
   3) when a fair batted fly ball touches the fence, deflects off a fielder and lands over a fence.
   4) when a fair batted ball is touched by a fielder who is in dead ball territory and, in the Umpire’s judgment, the ball would not have gone over the fence in fair ball territory.
   5) when a fair batted ball bounces over or rolls under or through a fence or passes the dead ball line of the playing field.
   6) when a fair batted ball deflects off:
      a) a defensive player; or
      b) a runner or umpire after passing a fielder excluding the pitcher and provided no other fielder had a chance to make an out and the ball goes out of play in foul territory.
   7) when a fair batted ball is contacted by a fielder who is in dead ball territory and in the Umpire’s judgment the ball would not have gone over the fence in fair territory.

i. when the ball is thrown and leaves the playing field or is blocked, the award is from the time the ball left the fielder’s hand. If two runners are between the same two bases, the award is based on the position of the lead runner. If a runner touches the next base and returns to their original base, the original base they left is considered the “last base touched” for the purposes of an overthrow award.

iii. when defensive equipment causes a blocked ball, the award:
   1) is from the base last touched at the time of the throw; or
   2) is from the base last touched at the time of the pitch on a fair batted ball.

iv. when a thrown ball contacts detached equipment, this is a delayed dead ball. Bases are awarded from the time of the throw.

v. Runners only are awarded two bases and the ball is dead when, in the Umpire’s judgment, a fielder intentionally carries, kicks, pushes or throws a live ball from playable territory into dead ball territory, the award is from the time of the throw or from the time that the ball that is kicked, pushed or carried enters dead ball territory.

vi. In Co-ed, any walk to a male batter, intentional or otherwise, will result in a two base award.

c) Three Base Award

The batter-runner and runners are awarded 3 bases and it is a delayed dead ball when detached equipment contacts a fair batted ball. Bases are awarded from the time of the pitch. Runners are protected to the awarded bases; however, if they proceed beyond the awarded bases they are in jeopardy.

d) Four Base Awards

The batter-runner and runners are awarded home plate and the ball is dead in the following circumstances:
   i. When the Umpire declares a home run; and
   ii. When a fair ball is contacted by detached equipment and in the Umpire’s judgment, the ball would have cleared the outfield fence in flight.

e) Umpire Judgment Awards

The batter-runner and runners are awarded the base or bases they would have made in the Umpire’s judgment had interference not occurred and the ball is dead:
   i. when a person other than a team member interferes with a live ball or a fielder about to field a ground ball, thrown ball or fly ball. If in the umpire’s judgment, the fielder would have caught the ball had there not been interference, the batter-runner is out and all runners must return to the base last touched at the time of the interference;
   ii. when the ball becomes lodged in Umpire gear or clothing or offensive player clothing.

HOME PLATE
It will be a five-sided figure 43.2cm. (17 in.) wide, across the edge facing the pitcher. The sides will be parallel to the inside lines of the batter’s box and will be 21.6cm. (8 1/2 in.) long. The sides of the point facing the catcher will be 30.5cm (12 in.) long.

INFIELD
Skinned portion 18.29m. (60 ft.) arc from the front center of the pitcher’s plate.

LINES
50mm to 100 mm. (2 to 4 in.) wide.

ON-DECK CIRCLE
1.52m. (5 ft.) circle 0.76m. (2 ft. 6 in.) radius placed adjacent to the end of the players’ bench or dugout area closest to home plate.

ONE METER LINE
Drawn parallel to and one (1) meter (3 ft.) from the baseline, starting at a point halfway between home plate and first base.

PITCHER’S PLATE
Made of rubber 61cm. (24 in.) long and 15.2cm. (6 in.) wide and the top of the plate must be level with the ground.

WARNING TRACK
Will be a minimum of 3.66m. (12 ft.) to a maximum of 4.57m. (15 ft.) from the outfield and/or side fences. Made of material (dirt, gravel) that is level with, but different from, the playing surface. The material must be distinguishable from the outfield surface and there must be a clear physical signal for players when they are approaching the fence.

G. LAYING OUT A DIAMOND
This section serves as an example for laying out of a diamond with 19.81m. (65 ft.) and a 15.24m. (50 ft.) pitching distance.

1. To determine the position of home plate, draw a line in the direction it is desired to lay the diamond. Drive a stake at the corner of home plate nearest the catcher. Fasten a cord to this stake and tie knots or otherwise mark the cord at 15.24m. (50 ft.), 19.81m. (65 ft.), 28.02m. (91 ft. 11 in.) and at 39.62m. (130 ft.).

2. Place the cord (without stretching) along the direction line and place a stake at the 15.24m. (50 ft.) marker. This will be the front line in the middle of the pitcher’s plate. Along the same line, drive a stake at the 28.02m. (91 ft. 11 in.) marker. This will be the center of second base.

3. Place the 39.62m. (130 ft.) marker at the center of second base and, taking hold of the cord at the 19.81m. (65 ft.) marker, walk to the right of the direction line until the cord is taut and drive a stake at the 19.81m. (65 ft.) marker. This will be the outside corner of first base and the cord will now form the lines to first and second bases.

4. Again holding the cord at the 19.81m. (65 ft.) marker, walk across the field and in like manner, mark the outside corner of third base. Home plate, first base, and third base are wholly inside the diamond.

5. To check the diamond, place the home plate end of the cord at the first base stake and the 39.62m. (130 ft.) marker at third base. The 19.81m. (65 ft.) marker should now check at home plate and second base.

6. Check all distances with a steel tape whenever possible.
APPENDIX 2: BAT SPECIFICATIONS

A. OFFICIAL BAT

1. The bat must be of one-piece construction, multi-piece permanently assembled or two piece interchangeable constructions.

2. When the bat is designed with interchangeable components it must meet the following criteria:
   a. the mating components must have a unique locking key to prevent uncertified equipment combinations in the field; and
   b. all component combinations must meet the same standards as when it was a one-piece bat when combined or a portion of a one-piece bat when separated.

3. A bat may be made of one piece of hardwood or formed from a block of wood consisting of two or more pieces of wood bonded together with an adhesive in such a way that the grain direction of all pieces is parallel to the length of the bat.

4. A bat may be metal, bamboo, plastic, graphite, carbon, magnesium, fiberglass, ceramic or any other composite material approved by the WBSC Equipment Standards Commission.

5. A bat may be laminated, but must contain only wood or adhesive and have a clear finish (when finished).

6. The barrel portion of the bat (from the start of the taper to the end cap) must be round and smooth with slight texturing allowed.

7. No bat must be more than 86.4cm. (34 in.) long or greater than 1077.0 g. (38 ounces) in weight.

8. No bat must be more than 5.7cm. (2 1/4 in.) in diameter at its largest part. A tolerance of 0.80mm. (1/32 in.) is permitted to allow for expansion.

9. A bat that has any exposed rivets, pins, rough or sharp edges or any exterior fastener that would is or present a hazard is an illegal bat. A non-wooden bat must be free of burrs and cracks.

10. A non-wooden bat must not have a wooden handle.

11. A bat must have a safety grip of cork, tape (no smooth, plastic tape) or composition material. The safety grip must not be less than 25.4cm. (10 in.) long and must not extend more than 38.1cm. (15 in.) from the small end of the bat. Resin, pine tar or spray substances placed to enhance the grip are permissible only on the grip. Tape applied to any bat must be a continuous spiral. It does not have to be a solid layer of tape. It must not exceed two layers.

c. Male and female Umpire must wear the following:
   1. A powder blue long or short-sleeved shirt.
   2. Dark navy blue socks.
   3. Dark navy blue slacks.
   4. Dark navy blue cap with white and blue trimmed WBSC letters on the front.
   5. Dark navy blue ball bag (Plate Umpire only).
   6. Dark navy blue jacket and/or sweater.
   7. Black shoes and belt.
   8. A white T-shirt worn under the powder blue shirt.
d. Umpires must not wear exposed jewelry that may pose a hazard.
   EXCEPTION: Medical Alert Bracelets and/or necklaces.
e. The Umpires should introduce themselves to the captains, managers, coaches and scorers.
f. The Umpires should inspect the playing field boundaries, equipment and clarify all ground rules to both teams and their managers.
g. Each Umpire has the power to make decisions on violations committed any time during playing time or during suspension of play until the game is over.
h. No Umpire has the authority to set aside or question decisions made by another umpire within the limits of their respective duties as outlined in these rules.
i. An Umpire may consult his associate(s) at any time. However, the final decision will rest with the Umpire whose exclusive authority it was to make the decision and who requested the opinion of the other(s).
j. In order to define their respective duties, the Umpire judging balls and strikes will be designated as the “Plate Umpire,” the Umpire(s) judging base decisions as the “Base Umpire(s).”

k. The Plate Umpire or Base Umpire will have equal authority to:
   1. call a runner out for leaving a base too soon;
   2. call “TIME” for suspension of play;
   3. remove, or eject, a player, coach or manager from the game for violation of rules;
   4. call all illegal pitcher;
   5. determine and call an infield fly. When it seems apparent that a batted ball be an infield fly, the umpire will immediately declare, “INFIELD FLY, IF FAIR-THE BATTER IS OUT,” for the benefit of the runners.

l. The Umpire will declare a batter, batter-runner or runner out without waiting for an appeal for such decision in all cases where such player is retired in accordance with these rules.

m. Unless appealed to, the Umpire does not call a player out or penalize them for having failed to touch base, leaving a base too soon on a caught fly ball, batting out of order, being an unreported substitute, being an Illegal Re-Entry, the replacement player or returning withdrawn player who is not reported, being a runner who switched positions on bases with another runner or making an attempt to go to second base after reaching first base, as provided in these rules.

n. An Umpire will not penalize a team for infraction of a rule when imposing the penalty would be to the advantage of the offending team.

o. The failure of an Umpire to adhere to Appendix 5 is not grounds for protest. These are guidelines for Umpires.

B. SIGNALS

a. To indicate that play will begin, or be resumed, the Umpire shall call “PLAY BALL” and, at the same time, motion the pitcher to deliver the ball.

b. A STRIKE will be indicated by raising the right hand upward above the shoulder, to a 90-degree angle and, at the same time, calling “STRIKE” in a clear and decisive voice.

c. To indicate a BALL, no arm signal is used.

d. To indicate the total COUNT of balls and strikes, the balls are called first.

e. To indicate a FOUL, the Umpire will call “FOUL BALL” and extend both an arm vertically while verbalizing “FOUL BALL”.

f. To indicate a FAIR BALL, the Umpire will extend an arm toward the center of the diamond, using a pumping motion.

g. To indicate a batter or runner OUT, the Umpire will raise the right hand upward above the right shoulder, with fist closed.

h. To indicate that a player is SAFE, the Umpire will extend both arms horizontally to the side of the body, with palms toward the ground.

i. To indicate suspension of play, the Umpire will call “TIME” and, at the same time, extend both arms above the head. The other Umpires shall immediately acknowledge the suspension of play, with similar action.

j. To indicate a DELAYED DEAD BALL, the Umpire will extend the left arm horizontally, with fist closed.

k. To indicate a TRAPPED BALL, the Umpire will extend both arms horizontally to the side of the body, with palms toward the ground.

l. To indicate a GROUND RULE DOUBLE, the Umpire will extend the right hand above the head and at the same time indicate, with two fingers, the number of bases awarded.

m. To indicate a HOME RUN, the Umpire will extend the right hand, with closed fist above the head and circle the arm in a clockwise movement.

n. To indicate an INFIELD FLY, the Umpire will call “INFIELD FLY, IF FAIR, THE BATTER IS OUT.” The Umpire will extend one arm above the head.

o. To indicate NOT TO PITCH, the Umpire should raise one hand, with the palm facing the pitcher. “NO PITCH” will be declared, if the pitcher pitches while the Umpire has their hand in said position.
APPENDIX 6: SCORING

A. THE BOX SCORE

a) Each player’s name and the position, or positions to be played, must be listed in the order in which they batted, or would have batted, unless the player is legally substituted, ejected, removed from the game, or the game ends before their turn at bat. Any statistics accrued by the Replacement Player while they are in the game are credited to that player, even if they are a listed substitute who does not eventually enter the game as a substitution for another player.

Any statistics accrued by a Temporary runner will accrue to the player for whom they are running.

1. The Extra Player (EP) is optional, but if one is used, it must be made known prior to the start of the game and be listed on the score sheet in the regular batting order. Eleven names (twelve for Co-ed) will be on the official batting order.

b) Each player’s batting and fielding record must be tabulated.

1. The first column will show the number of times at bat by each player, but a time at bat will not be charged against the player when that player
   a) Hits a sacrifice fly that scores a runner.
   b) Is awarded a base on balls.
   c) Is awarded first base because of obstruction.
2. The second column will show the number of runs by each player.
3. The third column will show the number of base hits made by each player. A base hit is a batted ball that permits the batter to reach the base safely.
   a) When a batter-runner reaches first base, or any succeeding base, safely on a fair ball that settles on the ground, clears the fence, or strikes the fence before being touched by a fielder.
   b) When a batter-runner reaches first base safely on a fair ball which is hit with such force, or such slowness, or which takes an unnatural bounce, making it impossible to field with ordinary effort in time to retire the batter-runner.
4. The fourth column will show the number of opponents put out by each player.
   a) A putout is credited to a fielder each time they
      1) catch a fly ball or line drive.
      2) catch a thrown ball that retires a batter or runner.
      3) touch a runner with the ball when the runner is off the base to which they are entitled.
      4) are nearest the ball when a runner is declared out for being struck by a fair ball, or interfering with the fielder.
      5) are nearest the unreported substitute, who is declared out in accordance with Rule 3.2.8 Effect d ii.
      6) is nearest a runner, who is called out for running out of the base path.
   b) A putout is credited to the catcher when:
      1) a third strike is called;
      2) the batter fails to bat in correct order;
      3) the batter interferes with the catcher;
      4) when the batter is called out, for batting illegally;
      5) when the batter is declared out, for using an illegal or altered bat;
      6) when the batter is called out for changing batter’s box;
      7) when the batter bunts or chops down on the ball;
      8) when the batter hits a third strike foul ball.
   c) When a fair ball, which has not been touched by a fielder, becomes a dead ball because of touching the person, or clothing, of a runner or Umpire.
   d) When the fielder unsuccessfully attempts to retire a preceding runner and, in the scorer’s judgment, the batter-runner would not have been retired at first base by perfect fielding.
   e) When the batter ends the game with a base hit that drives in a sufficient number of runs to give his team the lead, the batter will be credited with only as many bases as were advanced by the runner scoring the winning run, provided the batter runs a similar number of bases.
   f) When the batter ends the game with an out of the park home run, they will be credited with a home run and all runners, including themselves, will be allowed to score.
4. The fourth column will show the number of opponents put out by each player.

a) A putout is credited to a fielder each time they
   1) catch a fly ball or line drive.
   2) catch a thrown ball that retires a batter or runner.
   3) touch a runner with the ball when the runner is off the base to which they are entitled.
   4) are nearest the ball when a runner is declared out for being struck by a fair ball, or interfering with the fielder.
   5) are nearest the unreported substitute, who is declared out in accordance with Rule 3.2.8 Effect d ii.
   6) is nearest a runner, who is called out for running out of the base path.

5. The fifth column will show the number of assists made by each player. An assist shall be credited as follows:
   a) To each player who handles the ball in any series of plays which results in the putout of the runner. Only one assist and no more shall be given to any player who handles the ball in any putout. A player, who has aided in a rundown or other play of the kind, may be credited with both an assist and a putout.
   b) To each player who handles, or throws, the ball in such a manner that a putout would have resulted, except for an error of a teammate.
   c) To each player who, by deflecting a batted ball, aids in a putout.
   d) To each player who handles the ball in a play which results in a runner being called out for interference, or for running out of base line.

6. The sixth column will show the number of errors made by each player. An error is recorded in the following situations,
   a) For each player who commits a misplay which prolongs the turn at bat of the batter, or life of the present runner.
   b) For the fielder, who fails to touch the base after receiving the ball to retire the runner on a force-out, or when a runner is compelled to return to base.
   c) For the catcher, if a batter is awarded first base for obstruction.
   d) For the fielder, who fails to complete a double play because of dropping the ball.
   e) For the fielder, if a runner advances a base, because of their failure to stop, or try to stop, a ball accurately thrown to a base, providing there was occasion for the throw. When more than one player could receive the throw, the scorer must determine which player gets the error.

B. BASE HITS SHALL NOT BE RECORDED

A base hit will not be scored in the following cases.
   a. When a runner is forced out by a batted ball, or would have been forced out, except for a fielding error.
   b. When a player fielding a batted ball retires a preceding runner with ordinary effort.
   c. When a fielder fails in an attempt to retire a preceding runner and, in the scorer’s judgment, the batter-runner could have been retired at first base.
   d. When a batter-runner reaches first base safely, as a result of a preceding runner being called out for interfering with a batted ball, or a defensive player.
   EXCEPTION: If, in the judgment of the scorer, the batter would have reached first base safely had the interference not occurred, a safe hit will be credited to the batter.

C. SACRIFICE FLY BALLS

A sacrifice fly is scored when, with less than two outs:
   a. the batter scores a runner with a fly ball which is caught; or
   b. The ball, or the line drive, handled by an outfielder (or an infielder running in the outfield) is dropped and a runner scores and, in the scorer’s judgment, the runner could have scored after the catch, had the fly ball been caught.

   a) A safe hit.
   b) A sacrifice fly.
   c) A foul fly caught.

b) When a game is ended after five innings of play, and the starting pitcher has pitched at least three innings, and their team scores more runs than the other team when the game is terminated.

F. PITCHER CHARGED WITH A LOSS

A pitcher will be charged with a loss, regardless of the number of innings they have pitched, if they are replaced when their team is behind in the score and their team thereafter fails to tie the score, or gain the lead.

3.2.3 e)
All starting players, including the EP, may be substituted and re-enter the line-up once and must remain in the same batting position whenever they are in the line-up. A violation of this rule is considered an illegal re-entry.

3.2.6 a)
A substitute may take the place of any player in the team line-up. Multiple substitutions may be made for the player listed in the starting line-up, but no substitute may return to the game after being substituted from the line-up, except as a Replacement Player or coach. A substitute who re-enters the game as a player is an illegal re-entry.

a) A substitute;

b) A player under the Replacement player rule

Effect

i. All play completed prior to the discovery and successful appeal of an unreported substitute is legal; however, if the unreported substitute bats, reaches base or scores and is then discovered and a proper appeal is made and upheld before a pitch is thrown to the next batter, or at the end of the game and before the umpires leave the field, all runners will return to the base occupied at the time of the pitch and the unreported substitute is called out.

Rule 3.1.9, 3.1.12, 3.2.3 e, 3.2.5 d, and 3.2.8

Effect

Illegal re-entry

1. This is subject to appeal, which can be made anytime while the illegal re-entered player is in the game and does not have to be made before the next pitch.

a) The head coach named on the line-up card and the illegal re-entered player are ejected.

b) A legal substitute must replace the ejected illegal re-entered player before the game can continue.

c) A new head coach must be named.

d) If the illegal re-entry is also an unreported substitute, both effects must be applied.

e) If an illegal re-entry is not appealed and if this results in both the illegal re-entry and the original player remaining in the game with the result that a number of consecutive players in the batting order to become illegal re-entries:

This is not an additional out. The Flex who is removed from a base is not replaced by another runner.

Rule 3.110 c and 3.111
Ineligible Player returning to the game

Effect

When a declared Ineligible player returns to the game, a forfeit is declared in favor of the non-offending team.

3.3 a)
An appeal must be made by a manager, coach or player before an umpire may consider and make a decision on:

i. an unreported substitution;

ii. an illegal re-entry; or

iii. an ineligible player.

3.4.3. d)
While in a coaches’ box, a base coach may hold a non-electronic, non-reflective scorebook, pen or pencil and an indicator, all of which must be used only for scorekeeping or recordkeeping purposes.

4.2.2 b)

4.3.2 b)
Under the supervision and control of an umpire, a resin bag may be used to dry the hands and must be kept on the ground behind the pitcher’s plate within the pitching circle when not in use. During inclement weather or wet field conditions and with an umpire’s permission, the resin bag may be placed in the pitcher’s back pocket.

4.5
ILLEGAL PITCHER: A pitcher who has been declared as an illegal pitcher, as a result of the team exceeding the charged defensive conference limit, for pitching with excessive speed, or having been removed from the pitching position by the umpire for repeatedly violating the pitching rule, may not return to the pitching position at any time for the remainder of the game. The illegal pitcher may play another defensive position and continue on offense for the remainder of the game.

Effect 5.1 iv)
A pitch is not a play.

5.1.9 c)
In order to have a legal catch, the fielder’s feet must be within the field of play, touching the dead ball line or being in the air after leaving live ball territory. If the player has control of the ball when returning to the ground in ‘dead ball’ territory, it is a legal catch. A player who is in the dead ball territory and returns to the live ball territory must have both feet touching the playable territory prior to touching the ball in order to have a valid catch. It is a legal catch and the ball is live, when a fielder controls the ball in their hand(s), glove or mitt while standing on a collapsed flexible fence.

5.1.34 vi)
The delivery of the wrong size ball to the batter (Co-ed Only).

5.1.37

a) the batter hits the pitch and runs to first base;

b) the defensive team attempts to put out a batter-runner or a runner.

5.3 c) i)
The lead-off batter in each half inning must use the on-deck circle closest to their own dugout;
5.4.3 a) vii) When at any time a defensive team member erases the lines of a batter’s box, a ball will be called on the next scheduled offensive team batter or the offensive team batter currently at bat. A pitch does not have to be thrown. When at any time an offensive team member erases the lines of a batter’s box, a strike will be called on the next scheduled offensive team batter or the offensive team batter currently at bat. A pitch does not have to be thrown.

5.4.3 b) ix) 2 When the coach or non-playing team member erases the lines, a strike will be called on the next scheduled batter (or their substitute) in the line-up. A pitch does not have to be thrown;

5.5.2 a) iii) 3 anytime that they must legally advance to first base, unless they are injured and must receive treatment, while the ball is dead;

5.5.2 c) ii) 2 a fly ball that a defensive player, in the judgment of the Umpire, is able to catch. The ball is declared dead. Runners are awarded the bases they would have obtained, in the umpire’s judgement, had the interference not occurred.

5.10.3 c) xii) the batter or batter-runner is declared out for intentionally interfering with a play at home plate in an attempt to prevent an obvious out on an advancing runner at the plate. The advancing runner is out and all other runners must return to the base held at the time of the pitch.

5.10.4 THE RUNNER IS NOT OUT: A runner is not out:
