## Enter the Softball Euroleague!

Softball Euroleague is a competition in softball (fastpitch) for women and juniors played on a cross-border regional level. The aim of the Euroleague is to build a competition with international impact and credit.
This is an invitation to all clubs/federations (national or regional teams) to play more games in your area. We want to make more Euroleagues in different parts of Europe either for men or women. Learn more...

The Erasmus+ Sports: Small Collaborative Partnerships project came to an end. The three partners in the Inclusion and Gender Equality Through Softball (IGETS) initiative were: Olympia Haarlem (NED), SK Princ Zagreb (CRO), and Ghajnsielem Redcoats (MLT). Learn more and examine the detailed conclusions here.
