CHAPTER I – GENERAL ASSESSMENTS

ARTICLE 1. PREAMBLE

1.1 This draft refers to the Regulation drawn up by WBSC to regulate on Sports Betting and Corruption in WBSC competitions and sanctioned events.

1.2 Addressing sports betting and match-fixing is one of the top priorities of the International Olympic Committee to safeguard the Olympic Movement. The threat of such activities on the integrity of the results of sports competitions is said to be greater than that of doping, where many controls are already in place. A current assessment suggests little-to-no risk concerning betting on/fixing of WBSC competitions; nonetheless, it is being strongly recommended by the International Olympic Committee to all International Federations and components of the Olympic Movement to have regulations in place.

1.3 As online betting becomes more widely-used and as WBSC competitions draw more attention, there will be a need to develop advanced methods to identify any irregular bets and/or match-fixing. Should the need arise and the threat grow, as determined by the WBSC Executive Board or as indicated by the Olympic Movement, a “Corruption in Sport Monitoring Centre” could be established in the future to police betting activities. It is not required at this stage.

ARTICLE 2. DEFINITIONS

2.1 “Benefit” means the direct or indirect receipt or provision of money or the equivalent such as, but not limited to, bribes, gains, gifts and other advantages including, without limitation, winnings and/or potential winnings as a result of a wager; the foregoing shall not include official prize money, appearance fees or payments to be made under sponsorship or other contracts.

2.2 “Competition” means any WBSC World Cup or WBSC Sanctioned Event.

2.3 “Inside Information” means any information relating to any participant to the WBSC World Cups or WBSC Sanctioned Events that a person possesses by virtue of his or her position in relation to these competitions, excluding any information already published or common knowledge, easily accessible to interested members of the public or disclosed in accordance with the rules and regulations governing the relevant competition.

2.4 “Participant” means any natural or legal person belonging to one of the following categories:

2.4.1 “Athlete” means any person or group of persons competing in any WBSC World Cup or WBSC Sanctioned Event.

2.4.2 “Athlete Support Personnel” means any coach, trainer, manager, agent, team staff, team official, medical or paramedical personnel working with or treating athletes participating in or preparing for any WBSC World Cup or WBSC Sanctioned Event.

2.4.3 “Official” means any person who is the owner of, a shareholder in, an executive or a staff member of the entities which organise and/or promote any WBSC World Cup or WBSC Sanctioned Event. Officials are also tournament officials (Technical Commissioners, Umpires, Scorers, Jury of Appeal) and any other accredited persons.
2.5 "Sports Betting, Bet or Betting" means any wager of a stake of monetary value in the expectation of a prize of monetary value, subject to a future and uncertain occurrence related to any WBSC World Cup or WBSC Sanctioned Event.

   h. Whether or not the Competition was attended by an official representative of the Sports Organisation.

4.2 Any form of aid, abetment or attempt by a Participant that could culminate in a violation of these Rules shall be treated as if a violation had been committed, whether or not such an act in fact resulted in a violation and/or whether that violation was committed deliberately or negligently.

6.2 Upon request by the competent Sports Organisation, the concerned Participant must provide any information which the Organisation considers may be relevant to investigate the alleged violation, including records relating to the alleged violation (such as betting account numbers and information, itemised telephone bills, bank statements, internet service records, computers, hard drives and other electronic information storage devices), and/or a statement setting out the relevant facts and circumstances around the alleged violation.

ARTICLE 7. RIGHTS OF THE CONCERNED PERSON

In all procedures linked to violations of the present By-Law, the following rights must be respected:

Confidentiality must also be strictly respected by any person concerned by the procedure until there is public disclosure of the case.

ARTICLE 11. PROVISIONAL MEASURES

11.1 The Sports Organisation may impose provisional measures, including a provisional suspension, on the participant where there is a particular risk to the reputation of the sport, while ensuring respect for Articles 6 to 9 of this By-Law.

11.2 Where a provisional measure is imposed, this shall be taken into consideration in the determination of any sanction which may ultimately be imposed.

ARTICLE 12. SANCTIONS

12.1 Where it is determined that a violation has been committed, the competent Sports Organisation shall impose an appropriate sanction upon the Participant from the range of permissible sanctions, which may range from a minimum of a warning to a maximum of life ban.

12.2 When determining the appropriate sanctions applicable, the Sports Organisation shall take into consideration all aggravating and mitigating circumstances and shall detail the effect of such circumstances on the final sanction in the written decision.

12.3 Substantial assistance provided by a Participant that results in the discovery or establishment of an offence by another Participant may reduce any sanction applied under this By-Law.

ARTICLE 13. MUTUAL RECOGNITION

13.1 Subject to the right of appeal, any decision in compliance with this By-Law by a Sports Organisation must be recognised and respected by all other Sports Organisations.
