

C9. SUSPENDED GAMES

C9.5. All suspended, tied or games not played shall be re-scheduled by the Tournament Director and the WBSC in order to resume them following the suspension order if applicable. The new schedule has to be officially approved in writing by the WBSC Executive Director before being released to all participants.

C9.6. If there are difficulties concerning the closing date, only the games necessary to establish the final positions of the first three teams will be re-scheduled. No team shall be asked to play more than two games on the same day, unless the case warranted by exceptional circumstances and agreed upon by both teams affected by this measure. Would the exceptional circumstances persist and would any of the involved teams refuse to play two games on the same day, the WBSC Executive Director has the authority officially to determine whether they must play or not and the team or teams will be under the obligation to do it if the decision of the WBSC Executive Director establishes it as to be so. If the team or teams do not agree to play, they will lose the game by forfeit to appear.

C9.7 After a game is suspended, Game Officials shall wait a minimum of thirty (30) minutes to maximum of sixty (60) minutes before deciding if to restart or to call a regulation game. In the event that the game has completed the third inning of the second match, the team that is head in the overall score wins.

C9.8. If a play is in progress at the moment of a failure of the field's lighting system and an additional action is impossible, the game is considered suspended. Whenever the lights are restored, the game shall continue in the same situation that existed at the beginning of the play which was interrupted due to lack of lighting.
