3.1 Opportunities of hosting a WBSC Baseball World Cup

Organising WBSC Tournaments gives the opportunity for hosts to establish a legacy that will help develop the game locally, while also providing worldwide exposure for their programme and the hosting region.

Among many others, some of the potential benefits of hosting a WBSC Baseball World Cup are:

- Support in the construction of new or renovation of existing facilities to favour the development of the game at all levels;
- Increased number of high-quality baseball development programmes for professional, amateur, youth and grassroots levels;
- Improved cooperation between host cities, sponsors, media and the local community at large;
- Enhanced partnerships and greater commercial activity and investment from new sponsors, media and broadcasters;
- Help in breaking down social barriers for participation and better opportunities for people of all ages and genders;
- Use of well-known baseball players, coaches or local VIPs as role models to encourage kids and emerging players and to promote health and other social benefits;
- Use of multi-venue / location to maximise host city and tourism impact;
- Multiple brand activations, campaigning and merchandising opportunities;
- Extensive host city / host country programme (dressing and branding) including fan zones; and

The Hosting Agreement shall stipulate the obligations and responsibilities of the WBSC and the LOC, respectively, as detailed in the Event Hosting Manual. The hosting fee amount, payment date and potential non-compliance penalties will also be stipulated in the Hosting Agreement.

3.3 WBSC standards and compliance inspection procedure

The LOC shall be responsible for all renovations or upgrades to facilities that do not meet the standards outlined in the Event Hosting Manual, after being awarded the hosting of a WBSC Baseball World Cup. The LOC shall schedule a site visit for up to two WBSC Representatives in order to inspect the competition venues, practice venues and proposed hotels to ensure compliance with WBSC standards. These standards apply to both new and existing facilities, and the venue and hotel inspection shall be considered the Official Site Visit.

After the inspection, a full report shall be developed identifying strengths, weaknesses and issues that may need to be addressed in order to meet critical requirements related to the playing field, player safety, venue infrastructure, hotel quality, etc. The list of improvements and recommendations shall become part of the Hosting Agreement between the host and the WBSC. If needed, a construction/improvement work schedule shall be agreed between the

LOC and the WBSC, which may be followed up by the WBSC on a timely basis to ensure that preparations are on track.

During the site visit, WBSC Representatives may also evaluate other aspects of the Event organisation such as security, event promotion, medical services, transportation plans, etc.

3.4 Conflict of interest

In the event that a member of the WBSC Executive Board has a conflict of interest, such delegates shall decline to participate in the voting process for the decision to award the Hosting Rights of any WBSC World Cup.

Members of the WBSC Executive Board shall, in particular, be considered to have a conflict of interest if they represent a National Federation or Organisation whose bid is subject to the designation by the WBSC President for submission to the WBSC Executive Board for its final decision to select the host National Federation/Organisation for the next WBSC World Cup, or are a national of such National Federation's country.
