Nationality of Competitors

A1.1. Any player in any WBSC Baseball Division official competition must be a national of the country or region of the Federation that is entering her.

A1.2. All disputes relating to the determination of the country which a competitor may represent in the WBSC Baseball Division official competition or in qualifying tournaments for WBSC Baseball Division Official Competitions shall be resolved by the Executive Committee of the WBSC Baseball Division.

A1.3. A competitor who is a national of two or more countries or at the same time may represent either one of them, as she may elect. However, after having represented one of them (in a Women's Baseball World Cup, Continental or Regional Games or World or Regional Championships recognised by the WBSC Baseball Division), she may not represent another country or region unless she meets the conditions set forth in the following paragraph that apply to persons who have changed their nationality or acquired a new nationality. (Note: non-official WBSC Baseball Division Invitational Tournaments are considered exceptions to this rule).

A1.4. A competitor who has represented one country in a WBSC Women's Baseball World Cup and Regional and Continental Championships (e.g. American Championships or Asian Championships) and who has changed her nationality or acquired a new nationality shall not participate in any of the aforementioned competitions to represent her new country or region until three years after such change or acquisition. (Note: non-official WBSC Baseball Division Invitational Tournaments are considered exceptions to this rule). This period may be reduced or even canceled with the agreement of the initial National Federation and the approval of the Executive Committee of the WBSC Baseball Division (respectively the initial National Olympic Committee (NOC) and the Executive Board of the International Olympic Committee whenever it concerns the Olympic Games or Olympic Qualification Tournaments, where IOC rules will also apply).

A1.5. If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a new NOC is recognised by the IOC, a competitor may continue to represent the country or region to which she belongs or belonged. However, she may, if she prefers, choose to represent her country or be entered in the WBSC Baseball Division official competition by her new Federation or NOC if one exists. This particular choice may only be made once.

A1.6. In all cases not expressly addressed in these Regulations, in particular in those cases in which a competitor would be in a position to represent a country other than that of which she is a national or have a choice as to the country or region which she intends to represent, the Executive Committee of the WBSC Baseball Division may take all decisions of a general or individual nature, and, in particular, issue specific requirements relating to nationality, citizenship, domicile or residence of the competitors, including the duration of any waiting period.

A1.7. Should an eligibility violation occur, and a player be proven to be ineligible prior to any games being played, the player is automatically removed from her team roster and will not be allowed to participate in any game of the competition. The Technical Commission of the Competition will notify the Executive Committee of the WBSC Baseball Division for further action.

A1.8. Should a violation be discovered during the competition and after the athlete has played in one or more games, the player is automatically removed from the roster, and any game in which she actually played shall be considered a forfeited game for her team. The team shall continue to play in the competition, and the infraction shall be reported by the Technical Commission of the Competition to the Executive Committee of the WBSC Baseball Division for further action.

A1.9. Should a violation of eligibility be discovered after the competition, the case can be submitted by the WBSC Baseball Division Technical Commission, or by the National Federation, directly to the Executive Committee of the WBSC Baseball Division for further action. In any case the Executive Committee may act officially should a violation of eligibility be discovered after the competition.

A1.10. A player, removed for any eligibility violation, cannot be replaced by another player. A team can be penalized for eligibility violation only if a player has actually played in a game.

A1.11. In any case, it is the obligation of the Delegation or the National Federation, officially protesting the ineligibility of a player, to produce valid proof, the documentation and all the information regarding the violation, in writing, at the moment when filing the protest.

A5.2. During an official competition of any Baseball event under WBSC control, unless agreed with the WBSC Anti-Doping Program, the frequency of doping controls shall be as follows.

Preliminary phase: at least one game from each group each day with two players selected per team. The intention in the preliminary phase is to test each team at least once and preferably twice. However, such testing shall be limited to up to 2 games per day.

Two players per team will be selected from all quarter final, semi-final and final games.

A5.3. WBSC Baseball Division will appoint a WBSC Baseball Division Anti-Doping Commissioner to oversee the anti-doping program. The WBSC Baseball Division Anti-Doping Commissioner may vary the test distribution in consultation with the head Doping Control Officer (DCO).

A5.4. For games in which doping controls will be conducted, the following procedure shall be followed:

- a) At the end of the first half of the fourth innings the head DCO, the WBSC Baseball Division Anti-Doping Commissioner and one of the Technical Commissioners in charge of the game, with a copy of the starting Line-ups, shall meet in the Doping Control Station. The head DCO will have a copy of the FTR for the selection process.
- b) The Team Manager has to confirm to the TC that all players are at the game and if one is missing (for injury, sickness, etc...) why and where the player is (for Doping test reason).
- c) The head DCO will provide a random system. In the case of no available system, player names or numbers will be written on pieces of paper and cut up.
- d) A random selection process will be conducted for each team. This will include selection of reserve players in the event the original selected player/s are seriously injured during the game.
- e) If one player from each team is being selected, all 20 players will be included in the draw, and one reserve player selected. If two players from each team are being tested, the first selection will be from the Starting Line-up, the second from the full player list of 20. The reserve selections will be made from the full list.
- f) While a player may be subject to doping control on more than one occasion, the WBSC Baseball Division Anti-Doping Commissioner may ask for a redraw if the player has already been tested twice at the same tournament.
- g) The selections will be marked on the Starting Line-up, signed by the parties in attendance and given to the DCO.
- h) The names of the selected players shall not be communicated to the teams before the end of the game.

In such a case, medical evidence on the serious status of the injury must be given to the WBSC Baseball Division Anti-Doping Commissioner. The injured player may still be selected for a doping control by WBSC once they have recovered. *For example:* a player is hurt before the doping procedure on a Monday and goes to the hospital. On Tuesday, she is taken off the roster but is still in the country at the hotel or at the game. That player is still eligible to be tested just as the rest of the players on the initial FTR are eligible to be tested. In short, any player who is injured or removed from the roster is still subject to the same drug testing procedures as the rest of the team.

A5.7. Any players on the Final Team Roster (FTR) not present at the game may be selected by WBSC for a doping control whether still in the host city or not.

- Any kind of religious, political or racial advertising is banned, as well as any other advertising, which may be considered as contrary or damaging to the image of WBSC.
- Just one and only the same designer or sponsor may appear in all the uniform and accessories. The only exception will be the own WBSC sponsor, if any.

In any case the advertising should not exceed the following sizes:

- Shirt: up to 120 cm² on the left sleeve. The right sleeve is reserved for the WBSC advertising if any. No advertising is allowed either in the chest or in the back.
- Jacket: up to 120 cm² on the left sleeve. The right sleeve is reserved for the WBSC advertising if any. No advertising is allowed either on the chest or on the back.

- Cap: up to 35 cm² on the left side. The right side is reserved for the WBSC advertising if any. If a patch or other material is placed on cap for advertising purpose, the entire size of such material is considered as advertising in definition under this document and will be subject to the dimension above.

These rules shall be printed in both English, Spanish and the language of the host country and distributed to all Team Managers and Umpires and discussed thoroughly at the Pre-Competition Technical/Organizational Meeting. In addition, copies of the Ground Rules shall be posted in both dugouts of all competition sites. C4.2. Only credentialed personnel (staff, delegation members, translators, uniformed players, and uniformed coaches) will be allowed to stay in the dugout. A maximum of thirty (30) will be permitted. There are no exceptions to this rule. It shall be the responsibility of the Technical Commissioners assigned to the game to make sure that unauthorized persons do not occupy the dugout and that all the authorized persons stay inside the dugout during the game. More than this number of people in the dugout will not be permitted, and teams in violation of this rule subject themselves to fines from the Technical Commission.

C4.3. No communication between any personnel in the dugout and those in the stands should take place during the games. The communication with bullpens is allowed and is considered exception to this rule.

- b) Additional games of the day:

As soon as the previous game is completed, the groundskeepers shall begin to repair the field. When the head groundskeeper announces the field is ready, if two (2) hours and ten (10) minutes or more remain until next game time, the schedule indicated in a) shall prevail. If less than two (2) hours and ten (10) minutes remain, the time from that moment until forty (40) minutes prior to game time shall be divided equally between the Home team and Visiting team for batting practice. If less than forty (40) minutes remain prior to the scheduled start of the game, there will be no batting practice on the field.

Note: The TC will be present and is the final authority on how these procedures will take place.

If held on alternate field(s):

The starting time shall be determined by the length of time needed to get the team from the batting practice site to the competition site, making sure that the team arrives at least fifteen (15) minutes before they are scheduled to take infield practice.

The Home team will hit first for forty (40) minutes followed by the Visiting team for forty (40) minutes.

If two batting practice sites are used, the teams may be scheduled for practice simultaneously.

Infield practice will be held at the competition site as outlined in C5.2.a.

If batting cage is available, then Technical Commissioners assigned to the game will distribute equal time to both teams.

C5.3. Note that while batting practice prior to the game is for forty (40) minutes, it certainly can be less if a team desires. This, however, does not mean that the other team can hit for a longer period of time. Moreover, teams are not permitted to stretch, warm up, or be near the batting cage until BP for the other team is over. Teams should warm-up in an area outside the baseball field during this time. If no viable warm-up area exists (this will be the discretion of the Technical Commissioner), then teams are permitted to go to the far right or left field area to warm-up during the other teams batting practice time. Should they do so, teams should provide someone to protect the players from getting hit baseballs during the batting practice time. The Technical Commissioner will be on site to assist with any difficulties during this time.

C5.4. Each team will be allowed ten (10) minutes for infield practice before the beginning of the game. Forty (40) minutes before the official game time, the Home team may take a pre-game infield and outfield practice. Thirty (30) minutes before the official game time, the Visiting team may take pre-game infield and outfield practice. Twenty (20) minutes prior to official game time, the field will be made available to the maintenance crew.

C6. STARTING LINE-UP

C6.1. Team Managers shall compulsorily present a tentative line-up to the Technical Commissioner(s) at least ninety (90) minutes before the scheduled start of the game. This line-up is for information purposes only and whether the games are televised or not shall be duly communicated from the WBSC Baseball Division staff onsite in advance. This line-up shall include the name, uniform number, and field position of each player in the starting batting order plus the pitcher. All other players on the approved roster (FTR) will be considered as possible substitutes for all the games. The official line-up will be given to the Home-plate Umpire at the meeting at home-plate immediately prior to the start of the game. A copy of the official line-up shall be given to the opposite Team Manager, the Scorer(s) and Technical Commissioner(s) in charge of the game. The preliminary line-up is an important document and should not be misused. If there are changes between the preliminary and starting lineup, it must be announced directly to the Technical Commissioner in charge of the game and to the opposing team. An injury or other extraordinary reason should be the only reason for changes in the preliminary lineup. Abuses in this regard will not be viewed lightly and are subject to fines from the Technical Director.

C6.2. Teams will announce to the other teams whether they will be starting a right-handed or a left-handed pitcher. Such information should be provided to the opposing Team Manager no later than ninety (90) minutes before the start of the game and before the submission of a tentative line-up. However, it is recommended that such information is shared with the opposing Team Manager as soon as the teams arrive at the ballpark.

C7. PLAYING RULES AND PACE OF PLAY

Official Baseball Rules

C7.1. All games will be played under the event year of the *Official Baseball Rules* and Baseball Umpire Manual Procedures and Interpretations unless noted in this section.

Designated Hitter

C7.2. The designated hitter is accepted.

Bat

C7.3. The use of non-wooden bats is authorized, as long as they comply with the following requirements.

- The entire bat must be round with a constant radius at any point and the finish of the hitting area must be smooth.
- There must be a direct line from the center of the knob to the center of the large end. The knob and end plug (if applicable) must be firmly attached.
- The maximum length is 36 inches (91.4 cm) and the maximum diameter is 2 3/4 inches (6.99 cm).
- A bat may not weigh, numerically, more than five units less than the length of the bat (e.g. a 35-inch-long (88.9 cm) bat cannot be less than 30 ounces (850.5 grams) in weight).
- It is mandatory that all bats have an identification mark 18 inches (45.7 cm) from the end of the handle.

C7.4. Use of wooden bats is also authorized, as long as they are included in the current year official approved list published by the WBSC Baseball Division.

Protective Equipment

C7.5. Double ear-flap helmet is mandatory for the hitter, base-runners and it is also recommended that base coaches wear the skull caps.

Note: the skull caps for coaches is not required, only recommended.

Run Difference Rule

C7.6. If a team is losing by 10 or more runs after having batted at least in five (5) innings, the game is ended at that point. However, the Run Difference Rule does not apply for the Gold Medal Final while it is enforced for the Bronze Medal Game.

WBSC Exceptions to the Official Rules of Baseball

C7.7. The need to speed-up the play of international competition games must be constantly stressed to the Umpires, Team Managers and Coaches, and the following rules must be constantly enforced in an effort to keep the game moving quickly:

- a) In the event of inclement weather or other unforeseen conditions, the Technical Commissioners assigned to the game will have the responsibility of determining the start of a game. (Note: exception to OBR 3.10).
- b) The 12-second rule for the pitcher must be enforced at all time during the game (without runners on base). Teams shall be directed to have a catcher ready to warm-up the pitcher as soon as an inning is completed. As stated in *Official Baseball Rules* 8:04, pitchers have 12 seconds to pitch with no runners on base.
- c) The pitcher shall complete eight (8) warm-up pitches between innings and the Home-plate Umpire shall ensure that the pitches are thrown without undue delay. If a team fails to complete the warm-up pitches in a reasonable length of time, the Umpire may terminate them and call "Play Ball". If the game is televised live, the Umpire Director will confirm the number of pitches and/or duration of warm-up pitches between innings.
- d) When a batter hits a home run, members of her team shall not be allowed to touch the hitter until she has passed the home plate. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined and the Team Manager shall be ejected from the game.

- e) Coaches shall be allowed three free trips to the mound during the game to talk with the pitcher (free trip is one in which the pitcher is not removed from the mound). These meetings shall be limited to 45 seconds from the moment the Umpire calls "Time". (Note: the second base umpire will be carrying a stopwatch). After the third free trip, each subsequent trip to the mound shall result in the removal of the pitcher from the game. If the game goes into extra innings, trips not done during the game will not be accumulated and only one additional free trip shall be allowed for each three (3) extra innings. Two trips to the mound in the same inning to the same pitcher must result in the removal of the pitcher from the game. Coaches that are going to make multiple changes involving the pitcher after the two options mentioned above (after the three free trips or for the second visit in an inning) must go to the home plate umpire to state their changes prior to going to the mound or their moves are invalid and the pitcher must be removed from the game.
- f) Teams are allowed a maximum of 3 "offensive meetings" per game. An "offensive meeting" shall be charged any time a Coach delays the game for any length of time to talk with an offensive player; whether it is the hitter, a base-runner, an on-deck batter going to the plate, or to another Coach. If the game goes to the extra innings, "offensive meetings" not done during the game will not be accumulated and only one additional "offensive meeting" shall be permitted for each three (3) extra innings. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined and the Team Manager shall be ejected from the game. No offensive trip will be charged if the offense discusses strategy during a delay for which they are not responsible (e.g. trip to the mound, injury, player change, etc.) proving they cause no further delay.
- g) The "between innings infield clean-up" that has become common for many stadiums will be carried out after the 4th inning and it will be limited to a maximum of four (4) minutes. The field maintenance may be skipped if so directed by home plate umpire.
- h) Collision Rule:
The WBSC is concerned about unnecessary and violent collisions primarily with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid such collisions whenever possible.
 - 1. When there is a collision between a runner and a fielder who clearly is in possession of the ball, the umpire shall judge:
 - I. Whether the collision by the runner was avoidable (could the runner have reached the plate without colliding) or unavoidable (the runner's path to the plate was blocked);
 - II. Whether the runner actually was attempting to reach the plate or attempting to dislodge the ball from the fielder. Contact above the waist shall be judged by the umpire as an attempt by the runner to dislodge the ball; or
 - III. Whether the runner was using flagrant contact to maliciously dislodge the ball.

PENALTY:

- If the runner attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball. The ball is dead and all other base runners shall return to the last base touched at the time of the interference.
- If the fielder blocks the path of the base runner to the plate, the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the plate.
- If the flagrant or malicious contact by the runner was before the runner's touching the plate, the runner shall be declared out and also ejected from the contest. The ball shall be declared dead immediately. All other base runners shall return to the bases they occupied at the time of the pitch.
- If the contact was after a preceding runner had touched home plate, the preceding runner will be ruled safe, the ball becomes dead immediately and all other base runners will return to the base they had last touched prior to the contact.
- If the runner is safe and the collision is malicious, the runner shall be ruled safe and ejected from the game.
- 2. If the defensive player blocks the plate or base line clearly without possession of the ball, obstruction shall be called. The umpire shall point and call, "That's obstruction." The umpire shall let the play continue until all play has ceased, call time and award any bases that are justified in Rule 2 of the Official Rules of Baseball. The

obstructed runner is awarded at least one base beyond the base last touched legally before the obstruction.

- If the base runner collides flagrantly, the runner shall be declared safe on the obstruction, but will be ejected from the contest. The ball is dead.
- If the runner's path to the base is blocked and all stipulations above are fulfilled, it is considered unavoidable contact.

i) Extra-Inning Rule:

If the game remains tied after the completion of seven (7) innings, the following procedures will be implemented during extra innings:

- Each team will begin the 8th inning (and any subsequent necessary extra innings) with a player on first and second, no outs.
- The lineup will continue as in any other inning. For example, if the 7th inning ends with the #8 hitter having the last plate appearance (PA), the 8th inning begins with the #9 hitter at bat and 2B runner is the #7 hitter, and 1B runner is the #8 hitter in the lineup.
- With the exception of beginning the inning with runners on 1B and 2B with no one out, all other Official Baseball Rules and WBSC Tournament Regulations will remain in effect during the extra innings required to determine a winner.
- The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning (if needed) will remain in effect until a winner is determined.

C8. COMPETITION GAME SCHEDULE

C8.1 Once the competition game schedule has been approved by the Executive Committee of the WBSC Baseball Division, it becomes inviolable and can only be amended further to a new decision of the Executive Committee itself. Nevertheless, if during the competition there are reasons unforeseen in these norms and an amendment to the schedule would be necessary, changes to the game schedule could be done through a joint proposal of the Technical Director and the Local Organizing Committee to the Executive Director, who is the only person entitled to sanction an amendment. The new game schedule shall officially be approved in writing by the Executive Director before being released to all participants.

C9. SUSPENDED GAMES

C9.1. In case a game is stopped because of weather, curfew or other reason, the following will apply: before a contest becomes a regulation game, it is not an official game and shall be resumed at the exact point of suspension.

C9.2. After it becomes a regulation game, it is ruled a complete game.

C9.3. When it is tied or when the visiting team takes the lead in an uncompleted inning, and after it has become a regulation game, it shall be ruled a suspended game and shall be resumed at the exact point of suspension and played to a completion. The scheduling of completion of suspended game shall be given priority by Technical Commission in order to complete it as soon as possible.

C9.4. All suspended, tied or games not played shall be re-scheduled by the Technical Commission and the WBSC Tournament Department in order to resume or start them following the suspension order if applicable. The new schedule has to be officially approved in writing by the Executive Director before being released to all participants.

C9.5. If there are difficulties concerning the closing date, only the games necessary to establish the final positions of the first three teams will be re-scheduled. No team shall be asked to play more than two games on the same day, unless the case warranted by exceptional circumstances and agreed upon by both teams affected by this measure. Would the exceptional circumstances persist and would any of the involved teams refuse to play two games on the same day, the Executive Director has the authority officially to determine whether they must play or not and the team or teams will be under the obligation to do it if the decision of the Executive Director establishes it as to be so. If the team or teams do not agree to play, they will lose the game by forfeit to appear.

C9.6. A game is considered a regulation game if five innings have been completed and the umpire calls the game. In all WBSC sanctioned events, the umpires must wait a minimum of 60 minutes – and no more than 90 minutes -- before making a decision about whether to call the game and make it become a regulation game.

C9.7. If a play is in progress at the moment of a failure of the field's lighting system and an additional action is impossible, the game is considered suspended. Whenever the lights are restored, the game shall continue in the same situation that existed at the beginning of the play, which was interrupted due to lack of lighting.

C10. SUPER ROUND AND FINALS

C10.1. Establishing home and visitor teams in Finals and Super Round games shall be done by the drawing of lots if the standings of the preliminary rounds are equal (ex: 1st from Group A vs 1st from Group B). However, teams with higher seed in the Opening Round should be given home team (ex: 1st from A vs 2nd from B, then 1st from A will be home team).

C11. TIE BREAKING

All ties after the Opening Round will be settled as follows, using the points below (in order):

The ranking of the teams after the round robin shall be according to their win-loss records of all the games played. All ties after the Opening Round, Super Round and Finals shall be settled in the order of the following list. That is, if criteria (1) does not break the tie, then it is no longer considered the criteria capable of breaking the tie, and the next criteria (2) will be used. This logic continues through the list, in order, until the tie is broken:

1. The team that won the game(s) between the teams tied shall be given the higher position.
2. Team's Quality Balance (TQB) and game results between teams tied.
Note: If three or more teams are tied and when criterion 1 does not break a tie, a team or teams with the lower TQB will be placed in the lowest tied spot(s) so that the tie between the remaining teams can be broken with criterion 1.
3. The team that has the best Earned Runs Team's Quality Balance (ER-TQB).
4. Highest batting average in games between the teams tied.
5. A coin flip.

Six Examples of the application of the Tie Breaker Criteria

Scenario 1:

Game 1: Team A - Team B 5 - 4

Game 2: Team D - Team E 9 - 1

Standings after single round robin:

Team A	3 Won, 1 Lost	*
Team B	3 Won, 1 Lost	*
Team C	2 Won, 2 Lost	
Team D	1 Won, 3 Lost	**
Team E	1 Won, 3 Lost	**

* Criterion 1: Team A finishes higher than Team B, because of the result of game 1.

** Criterion 1: Team D finishes higher than Team E, because of the result of game 2.

Scenario 2:

Game 1: Team A - Team B 5 - 4 (8 ½ innings)

Game 2: Team C - Team A 2 - 0 (8 2/3 innings)

Game 3: Team B - Team C 8 - 2 (8 ½ innings)

Standings after single round robin:

Team A	3 Won, 1 Lost	*
--------	---------------	---

Team B 3 Won, 1 Lost *

Team C 3 Won, 1 Lost *

* Criterion 1: No decision between any of the teams A, B and C.

Criterion 2: Team C is with lowest TQB and therefore Team C is considered the 3rd place. Team A won the game against Team B based on Game 1 result. Therefore, Team A finishes higher than Team B. Team A is 1st place, Team B is 2nd and Team C 3rd place.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	5	17	0.2941	6	17.67	0.3396	-0.0454
B	12	17	0.7059	7	17	0.4118	0.2941
C	4	17.67	0.2264	8	17	0.4706	-0.2442

Team B: 12 runs scored in 17 offensive innings = 0.706; 7 runs allowed in 17 defensive innings = 0.412 ► TQB = 0.294

Team A: 5 runs scored in 17 offensive innings = 0.294; 6 runs allowed in 17.67 defensive innings = 0.339 ► TQB = -0.045

Team C: 4 runs scored in 17.67 offensive innings = 0.226; 8 runs allowed in 17 defensive innings = 0.471 ► TQB = -0.244

Scenario 3:

Game 1: Team A - Team B 6 - 4 (8 ½ innings)

Game 2: Team A - Team C 0 - 2 (9 innings)

Game 3: Team B - Team C 8 - 2 (8 ½ innings)

Standings after single round robin:

Team A 3 Won, 1 Lost *

Team B 3 Won, 1 Lost *

Team C 3 Won, 1 Lost *

* Criterion 1: No decision between any of the teams A, B and C.

Criterion 2: Team C is with lowest TQB and therefore Team C is considered the 3rd place. Team A won the game against Team B based on Game 1 result. Therefore, Team A finishes higher than Team B. Team A is 1st place, Team B is 2nd and Team C is 3rd place.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	6	17	0.3529	6	18	0.3333	0.0196
B	12	17	0.7059	8	17	0.4706	0.2353
C	4	18	0.2222	8	17	0.4706	-0.2484

Team B: 12 runs scored in 17 offensive innings = 0.706; 8 runs allowed in 17 defensive innings = 0.471 ► TQB = 0.235

Team A: 6 runs scored in 17 offensive innings = 0.353; 6 runs allowed in 18 defensive innings = 0.333 ► TQB = 0.019

Team C: 4 runs scored in 18 offensive innings = 0.222; 8 runs allowed in 17 defensive innings = 0.471 ► TQB = -0.248

Scenario 4:

Game 1: Team A - Team B 4 - 3

Game 2: Team A - Team C 8 - 5

Game 3: Team B - Team C 3 - 7

Standings after single round robin:

Team A 3 Won, 1 Lost *

Team B 3 Won, 1 Lost *

Team C 3 Won, 1 Lost *

* Criterion 1: Based on the games played between teams A, B and C, team A won both games (record of 2-0), team B has one win one loss (1-1), and team C lost both games (0-2). Therefore, this 3-team tie can be broken with criterion 1 as team A won the games between the 3 teams. A is placed 1st, B is 2nd and C is 3rd place in this scenario.

Scenario 5:

Game 1: Team A - Team B 7 - 4 (8 ½ innings), in earned runs 3 - 4
 Game 2: Team B - Team C 7 - 4 (8 ½ innings), in earned runs 5 - 2
 Game 3: Team C - Team A 7 - 4 (8 ½ innings), in earned runs 5 - 1

Standings after single round robin:

Team A 3 Won, 1 Lost *
 Team B 3 Won, 1 Lost * **
 Team C 3 Won, 1 Lost * **

* Criterion 1: No decision between any of the teams A, B and C.

Criterion 2: No decision between any of the teams A, B and C.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	11	17	0.6471	11	17	0.6471	0.0000
B	11	17	0.6471	11	17	0.6471	0.0000
C	11	17	0.6471	11	17	0.6471	0.0000

Criterion 3: Team B finishes higher than Team C and Team A because of the ER-TQB in games 1, 2 and 3.

Team	Earned Runs Scored	Of. Innings	Ratio	Earned Runs Allowed	Def. Innings	Ratio	ER-TQB
A	4	17	0.2353	9	17	0.5294	-0.2941
B	9	17	0.5294	5	17	0.2941	0.2353
C	7	17	0.4118	6	17	0.3529	0.0588

Team B: 9 ER runs scored in 17 offensive innings = 0.529; 5 ERuns allowed in 17 defensive innings = 0.294 ► TQB = 0.235

Team C: 7 ER runs scored in 17 offensive innings = 0.412; 6 ERuns allowed in 17 defensive innings = 0.353 ► TQB = 0.059

Team A: 4 ER runs scored in 17 offensive innings = 0.235; 9 ERuns allowed in 17 defensive innings = 0.381 ► TQB = -0.294

Scenario 6:

Game 1: Team A - Team B 5 - 4 (9 innings)
 Game 2: Team B - Team C 5 - 0 (8 ½ innings)
 Game 3: Team C - Team D 8 - 4 (8 ½ innings)
 Game 4: Team D - Team E 9 - 0 (8 ½ innings)
 Game 5: Team E - Team A 5 - 2 (8 ½ innings)
 Game 6: Team A - Team C 1 - 3 (9 innings)
 Game 7: Team B - Team D 3 - 5 (9 innings)
 Game 8: Team C - Team E 1 - 3 (9 innings)
 Game 9: Team D - Team A 0 - 8 (9 innings)
 Game 10: Team E - Team B 3 - 7 (9 innings)

Standings after single round robin:

Team A 2 Won, 2 Lost *
 Team B 2 Won, 2 Lost *
 Team C 2 Won, 2 Lost * **
 Team D 2 Won, 2 Lost * **
 Team E 2 Won, 2 Lost *

* Criterion 1: No decision between any of the teams A, B, C, D and E.

Criterion 2: Team E is lowest TQB. However, Criterion 1 does not break the tie among A, B, C and D.

Team C, D and E are with lower TQB's and Team A and B are considered for first two places.

Based on the result of game 1, Team A is given 1st place and Team B is 2nd.

Team E is with lowest TQB among Team C, D and E and therefore is ranked 5th. Team C and D are considered for 3rd and 4th places and based on the result of game 3, C is given 3rd place and D is 4th.

Team	Runs Scored	Of. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	16	36	0.4444	12	35	0.3429	0.1016
B	19	35	0.5429	13	36	0.3611	0.1817
C	12	35	0.3429	13	35	0.3714	-0.0286
D	18	35	0.5143	19	35	0.5429	-0.0286
E	11	35	0.3143	19	35	0.5429	-0.2286

Team B: 19 Runs scored in 35 offensive innings = 0.542; 13 Runs allowed in 36 defensive innings = 0.361 ► TQB = 0.181

Team A: 16 Runs scored in 36 offensive innings = 0.444; 12 Runs allowed in 35 defensive innings = 0.342 ► TQB = 0.101

Team C: 12 Runs scored in 35 offensive innings = 0.342; 13 Runs allowed in 35 defensive innings = 0.371 ► TQB = **-0.028**

Team D: 18 Runs scored in 35 offensive innings = 0.514; 19 Runs allowed in 35 defensive innings = **0.542** ► TQB = **-0.028**

Team E: 11 Runs scored in 35 offensive innings = 0.314; 19 Runs allowed in 35 defensive innings = **0.542** ► TQB = -0.228

C12. ALTERNATE DETERMINATION OF CHAMPION

C12.1. In case of rain during the Super Round and/or Finals, it will proceed as follows:

- If rain prevents the playing of all the Super Round and/or Finals, an extra day will be used to permit the top finishers from each of the Opening Round groups to play a game or games to determine the title.
- If rain disrupts the Super Round and/or Finals before completion, all efforts will be made to determine a champion by playing only the game(s) which remain to determine the title. If a decision regarding a medal must be made without playing a game, the tie breaking criteria from C-11 shall apply. The same procedure will be followed for subsequent positions if necessary.

D. RESPONSIBILITY FOR THE USE AND CARE OF PROPERTY AND INSTALLATIONS

D1. The participating teams will be responsible for the damages to or disappearance of property in the places where they will be accommodated during the competition. The following procedures will be applied:

- a) An LOC representative and one person from each team will inspect the dormitories upon arrival of each team and an inspection report will follow.
- b) A clearance certificate or a bill for damages and alleged disappearances of property will be prepared by the LOC (in writing) at the end of the competition and submitted to the team Leader of each non local participating team before leaving the city.
- c) A certificate in writing will certify that the LOC does not have any claim for damages or disappearance of property against the team or any of its members and that it does not know of the existence of any claim against the team.
- d) A written invoice for damages or disappearance of property will specify the damages claimed, the disappeared article(s), name and address of the affected person(s) and amount of the claimed compensation.

D2. In the event of a claim for damages and/or disappearance of property against a team, the LOC and the WBSC will conduct a complete investigation of the events, proposing the corresponding steps to be taken.

D3. Failure to fulfill the stipulations of this section shall mean that the LOC loses the right to make any claim for damages or disappearance of property against any offending team and the WBSC.

E. OTHER MATTERS

E1. USE OF ELECTRONIC DEVICES

The use of electronic devices is forbidden during the games. None of the electronic devices such as cellular phones, laptops, tablets, video cameras, walkie-talkies, shall be used to communicate to on-field personnel, those in the dugout, bullpen, clubhouse and stands. The only exception to this rule is the use of phone/cellular phone to communicate between dugout and bullpen, however such device must be approved by WBSC in advance. No microphones or cameras are permitted in the dugout, bullpens or on the field of play without approval of WBSC. The participating teams must obtain approval of WBSC before using any other or new electronic equipment during a game.

E2. USE OF SOCIAL MEDIA

The use of social media by uniformed personnel of team delegations is not allowed during the games. If any violation is detected, individual(s) and National Federation(s) in question will subject themselves to fines and penalties by WBSC. If your team staff is in the stands during the entire duration of the game, such person may use electronic devices. However, the use of electronic devices is prohibited when in and close to dugouts. Before and after the game, use of such electronic devices is allowed. Fans can follow the official online play-by-play, live-stream and/or @WBSC. Press officers stationed in designated press zones are encouraged to share posts (no video footage of game) to social media during the games.

E3. BREAK BETWEEN INNINGS

The amount of time between innings shall be as set for each game by WBSC, which shall provide that information to the Technical Commission. The Technical Commission shall communicate to the umpires and the participating teams accordingly. Umpires shall keep between-inning timings on the field. The home plate umpire shall signal "one more pitch" 45 seconds before the conclusion of a between-inning break. After signaling "one more pitch," the home plate umpire shall actively call the leadoff batter to approach home plate. The goal is to have the first pitch delivered immediately after the inning break concludes.

E4. SMOKING AND SMOKELESS TOBACCO

Any members of the team delegation are not permitted to smoke in places that are visible to the public including audiences on media outlets such as TV, Internet streaming. It is the responsibility of the team delegation leader to ensure such smoking is not seen by public as long as they are in game venues and practice facilities as well as other tournament official activities. Any violation of this rule will be taken seriously and violators would be subject to disciplinary action as WBSC may deem appropriate. The use of smokeless tobacco is also prohibited for team delegation members during televised interviews or appearances. While spectators are permitted into the stadium, the delegation leader must ensure that such tobacco products (including tobacco tins or packages) are not visible to audience.

E5. TEAM PRESENTATION

All official delegation members must wear official team uniform at the tournament venues. For uniformed personnel including players and coaches, they must wear game uniform during their stay at the venues when participating in official activities (e.g. games, ceremonies, any other events as requested by WBSC). For non-uniformed personnel staying in dugout during the games, they must wear official team apparel provided by their respective teams or organizations. All official delegation members must be mindful of how their teams are presented and must maintain professional attire at all time at the venues.

E6. MEDIA OBLIGATIONS

On game and workout days, players and coaches shall be present at media interviews and press conference if so requested by WBSC or its partners. All players and coaches must go through the mixed zones at each venue, if any. All official delegation members shall also cooperate on all other media opportunities reasonably requested by WBSC or its partners. Team Delegation Members must wear game uniform at press conference and other media appearances if so requested by WBSC.

F. FINAL DISPOSITIONS

F1. The Agreement signed between the WBSC and the host National Federation as well as the Women's Baseball World Cup Hosting Manual establishes the rules and the general norms under which the competition shall be conducted, as well as the obligations and responsibilities of each of the parties. This document serves as a non-restrictive complement to the said Agreement.

F2. During the course of a competition, the Executive Committee of the WBSC Baseball Division, the Technical Director and the Local Organizing Committee shall have the authority to jointly make decisions on any point not specifically covered in this document, according to each competition. In any aspects where there is no mutual agreement, the Executive Committee of the WBSC Baseball Division will be the final authority.

F3. Any unforeseen circumstances, which arise and are not specified in the WBSC Baseball Division Tournament Regulations, then the Official Rules of Baseball will serve as the primary source of guidance for all WBSC tournament officials.
