The schedule of games for the Super Round and Placement Round may be modified and will be announced upon the conclusion of the Opening Round.

Super/Placement Rounds: In games between equal seeds, a coin toss determines the home team.

Head-to-head results of Opening Round games between the three teams that advance to the Super Round will carry over and will count to determine the four teams qualified for the Final Round as well as overall competition standings. The same methodology applies to the Placement Round.
