WELCOME MESSAGE

PRESIDENT OF THE WORLD BASEBALL SOFTBALL CONFEDERATION

Dear National Teams, Players and fans watching worldwide:

Welcome to the fourth edition of the WBSC U-15 Baseball World Cup, which is being hosted by our friends and colleagues at the Panama Baseball Federation in the cities of Chitré and David, Panama.

This international youth baseball festival is the world's top baseball tournament in the U-15 category, and it is the Official World Championship for this age group, and therefore impacts the WBSC World Rankings.

This U-15 Baseball World Cup features the best baseball players in the world born in 2003, 2004 and 2005.

In Panama to compete For the Title of World Champion are the National Teams from all five Olympic continents: Africa, all the American nations -- North-, South-, Central America and the Caribbean -- Asia, Europe and Oceania.

The 50 games of the IV WBSC Baseball World Cup in Panama will determine and measure which nation currently possesses the best U-15 baseball team and players on the planet.

It will also indicate which nations have the best baseball programmes in the world, and the Final Standings in David and Chitré will reflect this.

This global tournament -- with nations participating from all corners of the earth -- also showcases baseball's geographic footprint, connection to youth and bright future.

It is an honour and privilege for the World Baseball Softball Confederation to bring the Baseball World Cup to Panama -- a great baseball nation with great baseball tradition and history.

Good luck to all the athletes and teams, the U-15 world stage is yours!

Riccardo Fraccari

HOST MESSAGE

PRESIDENT OF THE PANAMÁ BASEBALL FEDERATION

Panamanian baseball and the world of baseball is celebrating the IV U15 Baseball World Cup, the premier youth event in this category. As host, the Panama Baseball Federation is honoured to organize and unite the best young players who are the future of the sport.

Panama, the capital of the continent and an international hub, is an ideal setting for the nations competing in this prestigious event.

Panama's modern facilities, our hardworking people and our happy and folkloric culture welcomes the world and all the great family of international baseball under the umbrella of the World Baseball Softball Confederation (WBSC).

It is for Panama an honour to host this great sporting event, where we will have the presence of the highest powers of this great sport, and where we will receive the top young players, their coaches, umpires, leaders and fans from different parts of the world.

When "Play Ball" is yelled here in Panama, it will be heard on the other side of the planet, crossing our proud Panama Canal and it will rumble on every corner where baseball is played and followed.

Let's enjoy the game, live every day all the passion and make these players our great stars of the present and future. Panama – representing the Americas – is ready to present an event with world class atmosphere and we are confident that our contribution will make the global baseball family bigger.

On behalf of the entire nation of Panama, where Baseball is part of the fabric of our society, we invite everyone to enjoy the games in David and Chiltre.

Welcome to Panama and Play Ball!

WORLD CUP TROPHY

The Official Trophy of the WBSC U-15 Baseball World Cup was custom designed and produced by Fratelli Pazzaglia in Pisa, Italy. The U-15 World Cup trophy is based on the Official Look and brand identity of the U-15 Baseball World Cup, which

was developed by the same mega-event branding agency that has rolled out the look of some of the world's biggest international sporting events, including the FIFA World Cup.

Height:	Weight:	Diameter:
53 cm	8.5 kg	19 cm
<i>Made in Italy</i>		

The visual identity of the WBSC U-15 Baseball World Cup makes use of abstract art to conceptualise the main element, a baseball glove, which is based on five transparent geometric shapes and a universal colour scheme. The glove is intended to represent WBSC and its 200+ Members across Africa, Asia, the Americas, Europe and Oceania, as well as the global nature of the sport.

At the heart of the glove is the iconic white baseball with contrasting red stitches, which not only unites the baseball world, but brings together the world's best young players to represent their countries and compete **For the Title of World Champion**.

ADDITIONAL REGULATIONS

Extra-Inning WBSC International Tiebreak Rule

If the game remains tied after the completion of seven (7) innings, the following procedures will be implemented during extra innings:

- Each team will begin the 8th inning (and any subsequent necessary extra innings) with a player on first and second, no outs.

- The lineup will continue as in any other inning. For example, if the 7th inning ends with the #8 hitter having the last plate appearance (PA), the 8th inning begins with the #9 hitter at bat and 2B runner is the #7 hitter, and 1B runner is the #8 hitter in the lineup.

COLLISION RULE

The WBSC is concerned about unnecessary and violent collisions primarily with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid such collisions whenever possible.

1. When there is a collision between a runner and a fielder who clearly is in possession of the ball, the umpire shall judge:
 - Whether the collision by the runner was avoidable (could the runner have reached the plate without colliding) or unavoidable (the runner's path to the plate was blocked);
 - Whether the runner actually was attempting to reach the plate or attempting to dislodge the ball from the fielder. Contact above the waist shall be judged by the umpire as an attempt by the runner to dislodge the ball in; or
 - Whether the runner was using flagrant contact to maliciously dislodge the ball.
2. If the defensive player blocks the plate or base(line) clearly without possession of the ball, obstruction shall be called. The obstructed runner is awarded at least one base beyond the base last touched legally before the obstruction.

12-SECOND RULE

Pitchers have 12 seconds to pitch with no runners on base.

TIE-BREAKING (Standings)

All ties at the conclusion of the Opening Round will be settled as follows (in order):

The order of the standings of the teams after the Opening Round shall be according to the win-loss record of all the games played. Ties in the standings shall be settled in the following order (if criterion (1) does not break the tie, criterion (2) will be used. This logic continues through the list, in order, until the tie is broken:

- 1. Head-to-head results
- 2. Team’s Quality Balance (TQB) and game results between teams tied.
- 3. Note: If three or more teams are tied and when criterion 1 does not break a tie, a team or teams with lower TQB will be eliminated so that criterion 1 can break the tie between the teams.
- 4. The team that has the best ERA -Team’s Quality Balance (ER-TQB).
- 5. Highest batting average in games between the teams tied.
- 6. A coin flip.

DUGOUTS

The home team will be assigned the third-base dugout and the visiting team will be assigned to the first-base dugout.

DOPING CONTROL

For the U-15 category, no doping controls will be administered.
