Presidential Report

Dear CEB Member Federations,

Year 2012 will be noted in the CEB history as special year. Elected President and Secretary General unexpectedly resigned from their positions. Due to the fact that it was last year of this term of office, CEB Executive Committee faced the challenge to manage that. According to the Statutes, as 1st Vice President I took the position of Acting President. Lars Sundin was nominated to the position of Secretary General in September. In the beginning I would like to thank to everybody for their responsible and constructive approach. I would like to thank especially to National Federations, my colleagues from CEB Executive Committee, my friends from CEB Technical Commission and other Commissions and Sub Commissions and Work Groups.

For each sport organization most important there are competitions, therefore I would like to start with three main events.

Year 2012 became the year of **European Championship** in the Netherlands and **Final Four** in Italy. Both tournaments were organized professionally despite the fact that we had a problem with searching for Final Four organizer. Italy defended successfully the best Final Four in history.

World Baseball Classic Qualifier was organized in Europe, Regensburg, and most European countries in history participated. Advance of Spain is big success. We keep our fingers crossed.

Year 2012 was year of many other competitions: European Championship U21, European Championship Cadets, European Championship Juveniles, European Cups and Qualifiers. We organized 15 competitions, which is more than it is usual in other sports but we managed that successfully.

Year 2012 can be characterized as the year of changes and joint with softball. World Baseball Softball Confederation was established. We are here together. Some federations are joint, some are divided.

Year 2012 was very difficult year inside. CEB President resigned and we found ourselves in the transition period. It was year of changes in the Frankfurt office.

We can say with certainty that main tasks and duties have been done and we have good economic result from past year.

Petr Ditrich
Acting President CEB

Development Commission Report

Members

The Development Commission members are Mats Fransson, SWE, Chairman, Monique Schmitt, SUI, Rainer Husty, AUT, Attila Borbely, HUN, Juan Garcia, ESP and Charles van der Meijs as Secretary, NED.

Activities

In the earlier years CEB had a development fund where money from IBAF (Olympics) could contribute to development activities in Europe. This contribution ended as baseball and softball was eliminated from the Olympic program. Therefore the development budget for 2012 had to be reduced and we had to make a priority in the different working areas. Below is the result of the development activities 2012.

Work program 2013

The work program for 2013 will be formed after the Congress 2012 when the elections of a new EC has been accomplished.

Technical Commission Report

The Technical Commission gathered together three times during 2012. Once during the Congress in March in Rotterdam, once during the Euro 2012 in September in Rotterdam and the third meeting was held 23-24th November in Barcelona.

All statistics and the “play by play” details for all C.E.B. tournaments 2012 are published on the C.E.B. Website. The years 2007, 2008, 2009, 2010 and 2011 are also available. The T.C. worked in close cooperation with the C.E.B. Office in Frankfurt. This year the international Umpires were supplied with OBR booklets and the C.E.B. Umpire patches. During the Euro 2012 in the Netherlands the well-known company Covee was official sponsor of the Umpire crews working during the Euro 2012.

All results and statistics are available at the CEB website:

<http://competition.baseballeurope.com/>

In 2012 a total of 15 tournaments were played. 9 Club and 6 National team competitions were organized all over Europe.

In June, 36 teams of 25 different Federations participated in the European Cup competitions (the Qualifier for the Final Four event) and the European Cup qualifiers. In August two play-off tournaments and the Final Four event were played. In the Club competitions overall 45 Club teams took part. In these competitions 22 Technical Commissioners, 57 International Umpires and 9 International scorers were active.

In July and September 47 National team selections of 24 different Federations participated in the various European Championships and qualifiers. Total 20 Senior teams, 7 juniors, 12 Cadet and 8 Juveniles teams took part in these competitions. CEB nominated 22 Technical Commissioners, 59 International Umpires and 10 International Scorers for these events.

Competitions 2012

European Cup – Qualifier for the Final Four 2012

Played in Rotterdam and San Marino.

Very good tournaments on the highest level of European baseball.

Qualifier European Cup tournaments

Played in Namur (BEL), Blagoevgrad (BUL), Trnava (SVK) and Attnang Puchheim (AUT).

Attnang and Namur suffered from rainy weather. In Blagoevgrad we learned that the International scorer never should put the C.E.B. laptop in the checked-in luggage, because it arrived unfortunately with much delay only one day before the end of the event.

Play-Off –European Cups

The play off games were this year well organized in Brno, Czech Republic and in Zurich, Switzerland. Five teams competed for promotion and both teams of the Organizers countries succeed in clinching a spot for their Federation in the European Cup A-pool in 2013.

Final Four – European Champions Cup

This year the Final Four event was the reason of many heavy discussions within the T.C. , the E.C. and all involved Federations. For a long time it looked that the T.C. was unable to find a place and a date where all participants were able to show-up. After a short period of officially cancelling the Final Four event the teams and T.C. were able to find a solution to play on 29th/30th August in Baseball city Nettuno, Italy. Organizers, the city of Nettuno did a splendid job and this event was in every way a big success. It was a prove of the high level of Club baseball in Europe. The team of Fortitudo Bologna took the title of European Champion 2012.

The C.E.B. decided to play in future the final of the European Club Championship with the two winners of the Qualifier/A-cup. Both teams will than have home games on their field.

Senior Championship

The Dutch federation organized the Euro 2012 in the light of their 100-year anniversary of the Royal Baseball Federation K.N.B.S.B. in the Netherlands. This most important C.E.B. event was very well organized. The participating teams were happy with the good circumstances of the fields and the facilities. Italy won, like two years ago in Stuttgart again the European title. In 2014 the championships will be organized in the Czech Republic.

European Championship 21U

Very well organized by the Czech Federation, the club of Draci Brno and the Atomics, Trebic. The final was played on the field of Draci after a 1-hour thunderstorm in which the field was turned in a swimming pool. It was amazing how the field crew prepared the field in less than three hours and the final could be played between Ukraine and France. France was the winner of the final game.

European Championship Junior Qualifier

Toulouse and Boe (France); Splendid organized event in which the Academy Toulouse supported by the City of Toulouse improved the field to a better level needed for European baseball.

European Championship Cadets

Jablonec and Liberec (Czechia): This event was again a good example how C.E.B. youth events should be Organized. Good fields, Good arrangements and a very active Local Organizing Committee.

Qualifier for the European Championship Cadets

Sisak, Croatia: Played on the only existing baseball field in the area of Sisak. It was a pity that the team of the Finnish Federation had to withdraw on the last moment. Very well organized event.

European Championship Juveniles

Hluboka and Zliv (Czech Republic): As usual in the Czech Republic the Federation and the Organizer did a wonderful job. Very well organized event with lot of attention of the Czech Authorities. Organizers succeeded again to make this event a festivity for youth baseball.

Haarlem Baseball Week and Prague Baseball week

Like in 2011 the C.E.B. Umpire commission in cooperation with the Development Commission was able to use these important friendly tournaments in 2012 again for improvement for four of our Umpires who were invited to work afterwards in the European Championship 2012. In both friendly events two International C.E.B. umpires worked together with the local Umpires nominated by the National Federations.

All events and winners are attached to this report.

This year C.E.B. was informed of the withdrawal of the Finnish Federation for the Cadet Qualifier in Sisak, Croatia. The withdrawal was short before the event. According the Competition Rules the Finnish Federation is fined and the Cadet team is suspended.

The Technical Commission wants to thank all persons working in any position within C.E.B. who made it possible that 2012 season was a big success.

On behalf of the Technical Commission,
Jan Esselman, Chairman

Annual Report 2012 Umpire Commission

Umpire Commission in 2012:

In 2012 the Umpire Commission:

Paul Bokern (NED) Chairman

Roberto Leone (ITA) member

Javier Menendez (ESP) member

Clinics

Umpires clinics were given in:

Ljubljana (SLO)	24 participants with Yuri Macchiavelli (ITA) as an instructor
Kirovograd (UKR)	13 participants with Michael Larkin (RUS) as an instructor
Zôry (POL)	35 participants with Winfried Berkvens (NED) and Mojmir Jankovic (SVK) as an instructor

Exchange umpires international tournaments in Europe

CEB tries always improving umpires. At now arranges were made with a few organisers of tournaments to invite CEB-umpires to participate. The goal is to help umpires staying at a high level of umpiring.

- Haarlem Baseball Week (NED): Dana Beszczynski (AUT) and David Kulhanek (CZE)
- Prague Baseball Week (CZE): Roy van de Wateringen (NED) and Tomislav Ozimec (CRO)

CEB Umpires active in IBAF tournaments

CEB umpires were invited by the IBAF for the next tournaments:

- WC U15 (Mexico): Lino Fabrin (ITA) and Christian Posny (GER).
- WC U18 (Taipei): David Kulhanek (CZE) and Marco Taurelli (ITA).

CEB Umpires active in Qualifier World Baseball Classic

CEB umpires were invited by the WBC for the next tournaments:

- Qualifier Regensburg (GER): Marco Screti (ITA) and Michael Ulloa (ESP)
- Qualifier Florida (USA): Jens Waider (GER)
- Qualifier Taipei: David Kulhanek (CZE)

European Tournaments Umpire evaluations

In 2012 the CEB Umpire Commission nominated in the 15 tournaments 96 umpires. In 233 games they were evaluated by the Technical Commissioner. The Technical Commissioner has to evaluate the game with the umpire and fill in a report. At the end of the tournament these reports were sent to the Umpire Commission and were administrated in order:

Score for normal performance	lower performance	higher performance	
2011	22%	40%	39%
2012	24%	24%	52%

For 2013 we want again to reduce the (big) differences in scores given by the evaluators.

As promised during the technical workshop in the Rotterdam congress we informed the National Federations about the results of their umpires during CEB Events.

CEB Umpire of the Year

During the Rotterdam congress Marco Taurelli (ITA) received the Umpire of the Year award. In 2011 was the award for Jens Waider (GER); in 2010 for Dana Beszczynski (AUT); in 2009 for Sante de Franceschi (ITA) and in 2008 for Fred van Groningen Schinkel (NED)

Tournaments

After we nominated umpires and invited them for the tournaments we got some problems. Umpires didn't confirm the invitation, umpires didn't show up, another umpire that was invited showed up. Next season CEB will not accept these matters and will invite other umpires at the cost of the country who's umpire failed.

CEB Umpires

The list of CEB umpires we could use in 2012 consist with 150 names 16 names were new at that moment.

In 2013 CEB will organise umpires clinic's for the new CEB umpires. Passing the test gives the new umpire the CEB A-licence.

Matters of instruction

All the CEB-umpires received the dvd "the virtual umpire camp" The dvd shows the several umpire mechanics. Also the rulebook was send.

At the beginning of 2011 the 2- en 3 men mechanics were published on the CEB-site.

Umpire shirts

During the European Championships all the umpires were wearing the dark blue shirts sponsored by COVEE.

Thanks

We want thank everybody who was working in 2012 in all matters of improving the way of umpiring baseball in Europe.

Paul Bokern
Chairman Umpire Commission

Annual Report 2012 Scoring Commission

The Commission:

The CEB Scoring Commission is formed by Anna Maria Paini (ITA) –chairwoman-, Linda Steijger (NED) and Pablo Carpio (ESP).

The only personal meeting we have had in 2012 was during the CEB Congress in Rotterdam. For this reason, and due to the several tasks we are working on (Scoring Manual, statistics manuals, prepare material for clinics) Skype or messenger sessions are quite frequent among us.

Clinics

In 2012 there were two requests for a scoring clinic, in Norway as well as in Czech Republic. Members of the Scoring Commission Pablo Carpio and Anna Maria Paini taught the participants the CEB scoring method for scoring on the paper score sheet.

So far only a small group of scorers from several countries is able to keep statistics in the computer. It is the intention that all European Federations have their own local scorers both for paper score sheets as well for the statistics program. Clinics should be performed on a more regular basis.

CEB tournaments

In all CEB tournaments, complete statistics are kept by using The Automated Scorebook (TAS) on computer and immediate live *play-by-play* in internet through CEB website. In each tournament, a CEB Scoring Director works together with local scorers to score each game and provide detailed statistics as well as a Daily Report. And what's more, the CEB Scoring Directors use every CEB tournament as an opportunity to teach and improve the knowledge and skills of the local scorers on their use of TAS.

We would like to thank the Italian Federation for their support with their server so live play-by-play could smoothly be performed.

To do this, high levelled scorers from different countries work the tournaments as Scoring Directors, not only in their own country, but also abroad.

CEB scorers active in IBAF tournaments

European scorers were invited by IBAF for the next tournaments:

- * 15U BWC (Mexico): Marco Travagli (ITA)
- * 18U BWC (Korea): Marco Batistella (ITA), Feiko Drost (NED)
- * Women's BWC (Canada): Pablo Carpio (ESP) Harry Wedemeijer (NED)

International contacts

A new IBAF Scoring Manual is in progress. Consultations of IBAF with the CEB Scorer Commission and the scorers of COPABE during World Cup 2011 should lead to finalize the scoring manual in 2013.

The manuals to use the TAS program (both for Data Entry as well as for Central Operator) are reviewed with experiences from the different CEB tournaments.

In 2012 the Scoring Commission of the European Softball Federation published their first edition of their own scoring manual for softball. This manual is based on the CEB version. This means that scoring in Europe for both baseball and softball is built on the same method.

Thanks

We wish to thank everybody who was working with us in 2013 in all matters of improving the way of scoring and using play-by-play in Europe.

Chairwoman Scoring Commission

PR & Media Commission Report

In a year of very limited activity, the Media Commission could see 4 games of the European Championship broadcasted by Eurosport 2 (Netherlands-Sweden, Netherlands-Spain, Netherlands-Italy and the championship game Netherlands-Italy) and 2 (Netherlands-Italy and the Championship game) by Rai Sport Due (worth ? 1,000 for the organization). This was done on the base of an agreement with NOS, dutch national broadcaster. The agreement was delayed till days before the tournament started for reasons that are still unclear to me. And I once again want to highlight the fact that, in the interest of CEB and baseball in general, the approach we had in 2007 and 2010 made more sense. Rai Sport Due broadcasted the final game of the Final Four of the Champions Cup. A copy is available on CEB's office request.

I believe a necessary step is to budget a minimum requirement of games production for TV for the main tournaments (European Championship and Champions Cup), make it clear that if there's a host broadcaster in charge of production the games must be made available to CEB for free, that CEB is in charge of the rights outside the host country.

In the last 4 years the work of the media Commission has not been satisfactory. I felt like this was considered a 'B rated' Commission. Tom Negel and Joan Garcia felt they were not too useful to the project, even if they got started with a lot of enthusiasm.

As I said before, I am not available to serve under this conditions in the next 4 years term. But I am available to listen to eventual proposals if this will mean that I, as a Chairman, have a direct relation with the Executive. I.E. I refer to the Executive during meetings and not to an Executive delegate.

Chairman PR & Media Commission
