Presidential Report 2019

Dear CEB member Federations,

2019 started strong, with the unanimous adoption of the WBSC Europe Constitution during the Congress organized by our friends from the Greek Softball Federation in Athens in February. The WBSC Europe's interim Executive Committee was established and has started to work on the next steps of the development of our new continental body.

Although we showed a continuous will to build the future of European Baseball and Softball in the cradle of the Olympics, Paris 2024 quickly denied our sport with a chance to stay on the Olympic programme by proposing only Roller Skate, Surf, Climbing and Breakdancing as additional sports for the 2024 Olympics just a few weeks after, a choice that was welcomed by the International Olympic Committee and leave us - again - at the door of the Olympics until a potential return at the Los Angeles 2028 Games.

This is, for sure, a disappointment for us all but we need to keep moving forward, developing our sport to show to the Olympic movement that we deserve our place at the Olympics.

There still was Olympic excitement this year with the Europe/Africa Qualification Tournament that was organized by WBSC in Parma and Bologna, in Italy last September. Congratulations to Israel which won the competition and will represent Europe and Africa at the Baseball Event of the Tokyo 2020 Olympics.

Our tournaments were again successful in 2019.

I want to thank all participants and organizers of this year's competitions and congratulate Italy (U12 EBC), Slovakia (U12 EBC Qualifier), Germany (U15 EBC), Israel and Austria (U18 EBC Qualifiers), Czech Republic (U23 EBC), France (Women's EBC), Israel and Lithuania (EBC Senior B-Pool), Israel (B-Pool Playoff), The Netherlands (EBC Senior), Israel (OQT), Russtar Moscow and Sölversborg Firehawks (Federations Cup Qualifiers), Dornbirn Indians (Federations Cup), Voith Heidenheim (CEB Cup) and Unipolsai Bologna (Champions Cup) for their great victories.

I also want to highlight the organization of the first ever Women's European Baseball Championship in Rouen, France this summer. After almost ten years of Women's Baseball in The Netherlands, the *Oranje* are not alone anymore and have been joined by Czech Republic and France for a historic competition that I hope will lead to many more in the future and further development of Women's Baseball on the old continent.

Let me also point out the success of the New York Yankees vs Boston Red Sox Series in London on June 29-30, the first regular Major League Baseball season games ever organized on European soil. Sold out stadiums and huge media exposure can only help baseball in Europe, and we are already looking forward to

next year's Series - again in London but this time between the St. Louis Cardinals and the Chicago Cubs.

I would like to thank all Executive Committee members, Presidents, members of Commissions and officials for their work as well as Kristina Uroić who run the day to day activities of the office in Zagreb.

I wish all players, coaches, officials and leaders the very best for 2020.

Didier Seminet
President

, all the best

Marketing and Media Commission Report 2019

In 2019, the focus of the marketing and media commission's activities was again on the television broadcast of our tournaments.

For 2019 our goal was not only to implement more international events but also to provide member federations with their own channels. Together with Sportradar we created a handbook to improve the handling and the upstreaming of live streams and other video content, the covering of a tournament and it's posting on baseballsoftball.tv.

Unfortunately, we have not quite managed to reach the National Federations and to inform about the possibilities of the platform. We have and will do this even more in personal contacts.

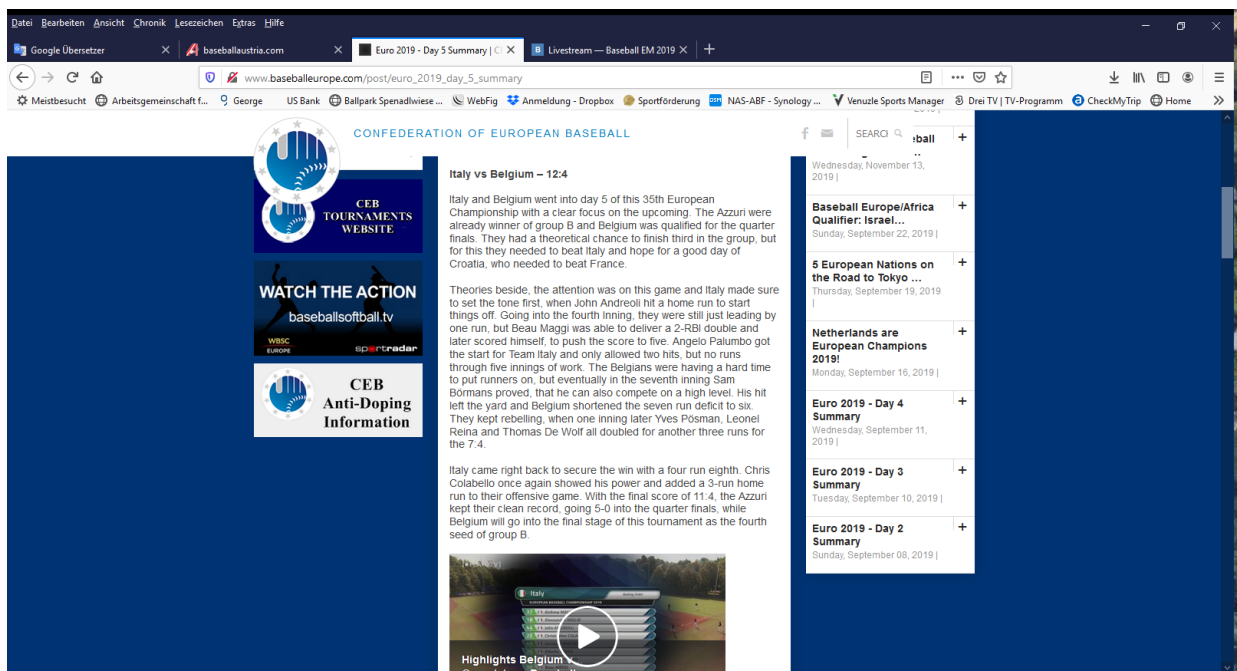

We also have to inform more about television broadcasts from European championships. As positive as it is, that television broadcasts happens, it is also necessary that they will streamed to the platform in cooperation with CEB.

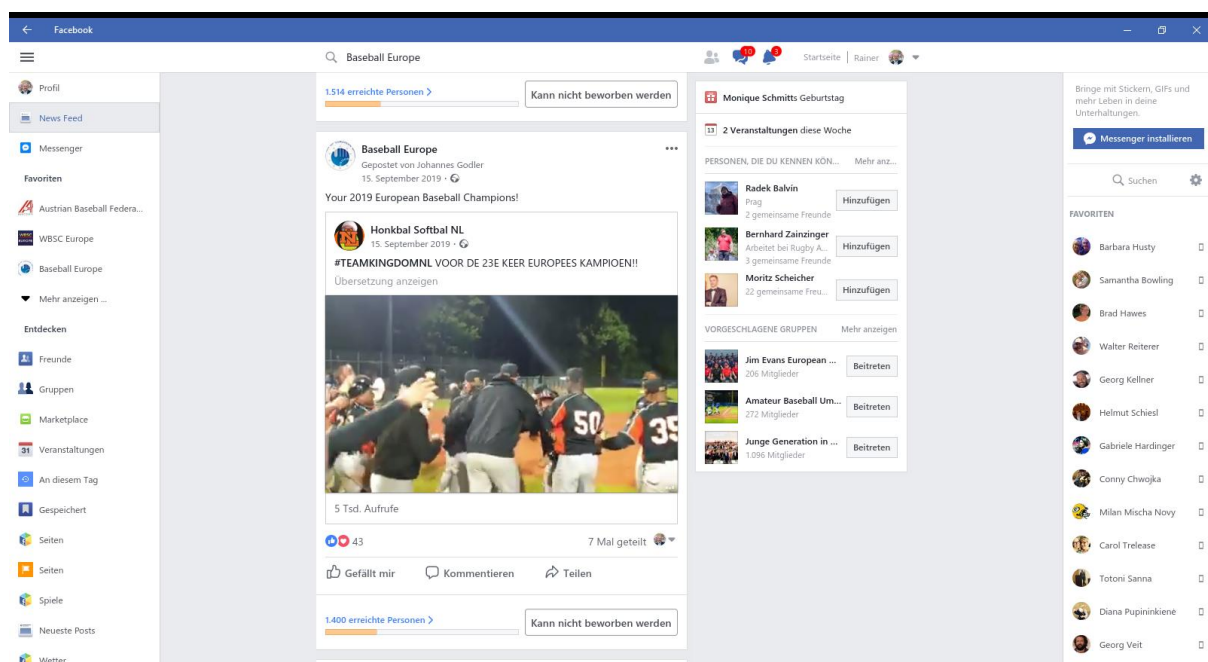

Here, too, we will personally contact all potential organizers in advance. Particularly noteworthy this year is the broadcast of the final of the Women Baseball EC in France and some finals of the U23 EC in Prague.

The highlight of the year was the men's baseball EC in Bonn Germany. The goal was to broadcast all games. Through joint efforts, the organizer's existing budget could be increased through sponsorship, so that all EC games could be shown live on our platform. It was also possible to provide local and other national television stations with the image material as a short report on a daily basis.

At this EC we tried to follow the standards for marketing and media. Frequent Facebook reports, daily game reports on the CEB homepage and an intensive press support were only part of the activities at the championship in Bonn.

I would like to mention in particular the good cooperation with the organizer the Bonn Capitals and the DBV and thank everyone involved.

The statistics of the spectators of the EC games on our platform are impressive to me.

All EC games are still available at baseballsoftball.tv at any time.

From now on, all broadcast games will be recorded automatically on our platform and can be viewed at any time or time shifted during the broadcast.

Business opportunities

A deal signed again for baseball balls in 2019 with Teammate. All CEB tournaments did run with Teammate balls that provided at no cost for the event organizers. Furthermore, a cooperation contract could concluded with a baseball equipment supplier. Bens Sports becomes an official CEB supplier and equipped the most Officials with the necessary apparel for the 2019 season. It will continued also for 2020. This year the collection of WBSC Europe fan ware will launched to get a foothold in marketing.

Teammate, ISG Baseball and Lee County Sports Development will be sponsors for the Congress 2020.

Many thanks to all sponsors and the people who were involved.

Technical Commission Report 2019

2019 was a special year for the CEB Technical Commission. The Commission underwent a change in composition and got a new chairman.

Because the chairman, Juergen Elshans became the president of the German Federation, the Executive Board of CEB decided that he could be no longer the chairman of the CEB Technical Commission.

In September 2019 just before the European Championship Seniors in Germany, Ludo Peeters (BEL) was elected as new chairman of the CEB Technical Commission by the Executive board of CEB.

Technical Commission would like to thank Juergen for all his work he has done during the past years. This was greatly appreciated.

A new chairman also gives a new approach. Ludo wants the chairmen of the CEB umpires and scorers commissions to be part of the CEB Technical Commission. On the other hand Rainer Krankl has resigned due to lack of time. Also thank you very much for Rainer.

The new composition of the CEB Technical Commission from November 2019 is Ludo Peeters (BEL) chairman

Frantisek Bunta (SVK) / Stephen Lesfargues (FRA) / Jan Kuipers (NED) / Jaroslav Mika (CZE) / Aleksander Horvatic (CRO) / Fred van Groningen Schinkel (NED) and Linda Steijger (NED).

All results, statistics, boxscores and daily reports of the 2019 CEB tournaments are published on the CEB competition website.

In 2019 a total of 16 tournaments were played. 5 Club and 11 National-Team competitions were organized all over Europe. For the first time there was a European Championship Baseball Women organized. The European Championship Seniors in Bonn (GER) was also a qualifier for the WBSC Olympic Qualifier Europe/Africa in Italy.

In June, 34 club teams from 20 different federations participated in the various European Cup competitions.

In these competitions 13 technical commissioners, 37 international umpires 22 international scorers and 5 scoring directors were active.

In July, August and September 72 National team selections from 28 different federations participated in the various European Championships and Qualifiers.

In total 26 Senior-Teams, 8 U23-Teams, 11 Junior-Teams, 10 Cadet-Teams, 14 Juvenile-Teams and for the first time ever 3 Women baseball Teams participated in these competitions.

In these competitions 30 technical commissioners, 77 international umpires, 44 international scorers and 10 scoring directors were active.

The CEB Technical Commission wants to thank all CEB officials who were active at the CEB tournaments, without officials there would be no competitions.

The organization of this tournament could have been better. Not enough volunteers to assist the LOC, sometimes problems with the transportation. The main field had seen better times, a refreshment had been desirable. No ground crew available to prepare the playing field

European Championship A-Pool

The Netherlands (NED) won this tournament, Croatia and Sweden relegate to the EC B-level 2020. This tournament was a qualifier for the WBSC Olympic Qualifier Europe/Africa for Tokyo 2020. The first 5 national teams of the European Championship were qualified and moved directly after the European Championship to Italy where the tournament was played in Parma and Bologna. The qualified countries were: The Netherlands, Italy, Spain, Israel and Czech Republic. This was a very well organized tournament with a huge number of volunteers who were all very motivated. The interest was great, there were many spectators especially when Germany played. Sometimes complaints about the food for the officials (cold and not enough).

Conclusion:

The tournaments were usually well organized, no problems that could not be solved. Sometimes the start was hesitant, but after a day everything was fine. A recurring problem is the strength of the internet connection on the fields and in the hotels of the officials. More attention is needed because this complicates the work of the scoring directors. Another point of work is the food for the officials, this must improve in the next years. It is not ok that officials have to eat 'Fast food' all week. I am convinced that we can improve this in the future.

European Tournaments Umpire evaluations

In 2019 the CEB Umpire Commission nominated in the 16 tournaments 114 umpires. The umpires were assessed in 279 games by a technical commissioner. The technical commissioner has to evaluate the game with the umpire and fill in a report. At the end of the tournament these reports were send to the Umpire Commission and were administrated.

The comments of the TCs were personally sent to all active umpires in the tournaments. The goal is that the umpires can improve themselves even more.

After the European competitions, we were able to inform the national federations that provided umpires, about the results of their umpires during CEB Events in 2019.

Tournaments

The umpires who were invited to a tournament received the appointments in March. Many cancellations resulted in a lot of extra work for the office and the umpire commission.

To get more stability in the system in 2020, availability forms were sent in December. Due to this preliminary work, we expect to have to process fewer cancellations or changes.

Scorers Commission Report 2019

Scorer Commission in 2019

Linda Steijger (NED) chairwoman and Stephanie Winkler (GER).

Tournaments

In 2019 a total of 16 tournaments have been played. All results, statistics and daily reports of these CEB tournaments are published on the CEB competition website (www.baseballstats.eu).

For the tournaments we have had the support of a lot of Scoring Directors and some International scorers. 2019 has been a difficult year to fill all the positions, but with the help of our Scoring Directors of which several worked more than one tournament, we managed.

Recommendations to LOCs

To perform the play-by-play it is recommended to have a wired internet connection or connection via USB. In 2019 in some tournaments the Wi-Fi connection at the venues caused problems which made it impossible to perform a proper play-by-play. We emphasise that the minimum of scorers required mentioned in the competition rules is really necessary. These numbers **exclude** the Scoring Director. Also the scorers should be dedicated to keeping score which means not being a player, part of the field crew etc. If needed, with the help of the scoring commission it is possible to organize scoring clinics before tournament start, to update the knowledge of the local scorers and give them an easier job during the tournament.

In 2019 again the play-by-play was performed with The Automated Scorebook software. Local scorers have to be trained to use this program.

Scoring manual

The WBSC Baseball Scoring manual (version 2016) is used for all CEB tournaments. We are aware that the WBSC Scoring Commission is working on an update of this manual. As soon as finished, we will discuss with WBSC how to get the new version to the European scorers, so we can keep up and expend the level of scoring.

CEB Scorers active in WBSC baseball tournaments

CEB Scorers were invited to the following WBSC baseball tournaments:

U 12 Baseball World Cup – Tainan (TPE)

Scoring Director: Fabio Zaccaria (ITA)

Scorer: Feiko Drost (NED)

Baseball Europe/Africa Qualifier – Bologna (ITA)

Scoring Director: Anna Maria Paini (ITA)

Scorers: Feiko Drost (NED), Susana Santos (ESP), Eleonora Tonelli (ITA), Fabio Zaccaria (ITA)

Premier 12

Scoring Director overall: Anna Maria Paini (ITA)

Pablo Carpio (ESP - Assistant Scoring Director in Taichung, Scorer in Tokyo), Susana Santos (ESP – Scorer in Taichung and in Tokyo), Fabio Zaccaria (ITA – Assistant Scoring Director in Seoul, Scorer in Tokyo)

Also many European scorers participated as International Scorers in WBSC Softball tournaments.

CEB Scorer of the Year

CEB Scorer of the Year 2018 was awarded to Huub Nelissen.

Thanks

We wish to thank everybody who was involved in any kind of cooperation with scorers, scoring directors and the scoring commission in 2019.
