# TOURNAMENT

- The tournament starts on Friday morning and ends on Sunday late afternoon. You can arrive at Prague earlier if you wish, and have a practice at our fields, play an unofficial game, do sightseeing, visit famous Prague ZOO near the field or have other fun.
- We would like to make the tournament also a big friendship event and let the girls enjoy meeting players from different countries. Therefore, we consider arranging an informal party on Saturday night.
- The tournament fee is 180 EUR (one hundred-and-eighty euro) – which includes the usage of the field including all the organizing and technical support, game balls, umpires pay, trophies.  
The tournament fee needs to be paid by the end of June 2023 and thus you book your spot at the tournament.

- There is a supermarket at only 5-minute walking distance from the ball park Svoboda park.
- A pizzeria and a Czech restaurant with friendly prices are at the same distance.
- You can also find a shopping center including a food court only 1,5 km far from Svoboda Park.
- We would like to organize a party with snacks and non-alcoholic beverages on **Friday night** after the opening ceremony for all the teams.

# ACCOMMODATION

- We try to make the tournament affordable for most of the teams coming from distant destinations. Therefore, the nearby gyms of the elementary school Dolakova are ready to accommodate you. You only need to bring your sleeping bags and mats. The school building is inside the ballpark, the capacity of the gyms is max. 6 teams.\*
- The sanitary facilities including 12 showers are available in 3 dressing rooms in the school building. There are 10 other dressing rooms, mostly equipped with showers, available in our clubhouse and a new facility building.
- If you don't want to use our gym, you can use other accommodation establishments or stay in one of several hotels in Prague 8 district.  
Just let us know and we will send you recommendations.

\*Please, notice that using the school gyms for accommodating teams has to comply with the government restrictions potentially effective at the time of the tournament.

# THE CITY OF PRAGUE

- Prague, a historical crossroad where many merchants, artists and scientists have used to meet since the Medieval Ages, is considered to be one of the most beautiful cities in Europe. As the capital of the Czech Republic, known as „Golden Prague“ and „The City of 100 Towers“, Prague is situated in the very heart of Europe and has an impressive history.
- Here, nature and architects have created a work where the monuments of ten centuries – from rotunda up to modern buildings – combine to form a unique open-air gallery. The historical quarters in the center (the proud panorama of Hradcany with Prague Castle, the symbol of Czech statehood, the Lesser Town, the Old Town, Charles Bridge, Josefov and the New Town) were included in the UNESCO register of World Cultural Heritage in 1993 for their unique character.
