

International Tournament I FEEL SLOVENIA BASEBALL 5

INVITATION

We are very happy that we can invite you to our second International tournament I FEEL SLOVENIA BASEBALL 5, with which we wish to promote the new urban game and baseball as well.

On this occasion we wish to invite your National team to participate in the baseball 5 tournament.

The event will take place in **Rogaška Slatina, on Saturday, June 17, 2023**, as part of a big sport event which will include a sports film festival, various tournaments held by ISFF, STO, ZBSS and the Olympic committee of Slovenia.

There are 6 spots in the tournament and invitations are on a »First come, first serve basis«. The players will get free accommodations with breakfast and no tournament fee for teams. The age limit for players is 30 years and younger.

The event has great importance for the game and for general promotion of the sport, with **live streaming** for all games. And of course, this event is great opportunity as a preparation tournament for the European championship.
