Explanation of participation

Four of six teams of the 2025 Champions Cup will be invited to the BCL.
The (newly named) Confederations Cup will have the other two participants of the 2025 Champions Cup, plus the four best teams of the 2025 European Cup.
Teams finishing 5, 6 and 7 in the 2025 European Cup will participate in the 2026 European Cup, along with the numbers 1 and 2 from each Federations Cup. One number 3 of the 2025 Federations Cup had also been granted a place in the European Cup. Selection was based on the overall achievement of the country's teams.
The two groups in the Federations Cup are formed by the other number 3, and the numbers 4 and 5 from last year. They are joined by the numbers 1 and 2 of the Qualifier, and one number 3 (again based on the overall achievement of the country's teams).

* Based on the number of participants the Federations Cup will be 1 or 2 groups. When there will be two groups, a draw will determine the composition of the groups.
