Accreditation

The accreditation process runs from 14 August to 20 September 2023. If you are unable to accredit by this date, please contact alexandr.kliment@eurobaseball2023.cz.

Accreditations can be collected at the press centre at the stadium you indicated during the accreditation process. Please wear it visibly.

Photo and camera positions

Photographers and cameramen have designated positions along the field. Access to the field of play is **not** allowed during the game. Please respect this rule.

Photographers and cameramen are required to wear a bib during the game - they will receive it at the same time as their accreditation.

Please note that the use of drones is not allowed.

In case of non-compliance with these rules, the accreditation may be withdrawn.

Press Centre

There will be a press centre equipped with Wi-Fi signal at each stadium. You can also leave your equipment there, and there will be personnel present in the press centre. However, we are not responsible for any equipment left behind.

The press centre will be open one hour before the first match of the day. It will be open for at least 90 minutes after the last match of the day.

Mixed Zone (Brno, Ostrava)

Video interviews after the game will take place exclusively in the mixed zone in front of the logo wall.
