- A1.3. A competitor who is a national of two or more countries or at the same time may represent either one of them, as he may elect. However, after having represented one of them (in a BFA Baseball Championship, the U18 Baseball Championship, U15 Baseball Championship, U12 Baseball Championship, Continental or Regional Games or Regional Championships recognized by the BFA), he may not represent another country or region unless he meets the conditions set forth in the following paragraph that apply to persons who have changed their nationality or acquired a new nationality. (Note: Non-official BFA Invitational Tournaments are considered exceptions to this rule).
- A1.4. A competitor who has represented one country in a BFA Baseball Championship, Regional and Continental Championships (eg: Asian Championships), the U18 Baseball Championship, the U15 Baseball Championship and the U12 Baseball Championship and who has changed his nationality or acquired a new nationality shall not participate in any of the aforementioned competitions to represent his new country or region until three years after such change or acquisition. (Note: Non-official BFA Invitational Tournaments are considered exceptions to this rule). This period may be reduced or even canceled with the agreement of the initial National Federation and the approval of the BFA Executive Committee.
- A1.5. If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a new NOC is recognized by the IOC, a competitor may continue to represent the country or region to which he belongs or belonged. However, he may, if he prefers, choose to represent his country or be entered in the official BFA competition or the Olympic qualifying tournaments by his new Federation or NOC if one exists. This particular choice may only be made once.
- A1.6. In all cases not expressly addressed in this By-law, in particular in those cases in which a competitor would be in a position to represent a country other than that of which he is a national or have a choice as to the country or region which he intends to represent, the BFA Executive Committee may take all decisions of a general or individual nature, and, in particular, issue specific requirements relating to nationality, citizenship, domicile or residence of the competitors, including the duration of any waiting period.
- A1.7. Should an eligibility violation occur, and a player be proven to be ineligible prior to any games being played, the player is automatically removed from his team roster and will not be allowed to participate in any game of the competition. The Technical Commission of the Competition will notify the BFA Executive Committee for further action.
- A1.8. Should a violation be discovered during the competition and after the athlete has played in one or more games, the player is automatically removed from the roster, and any game in which he actually played shall be considered a forfeited game for his team. The team shall continue to play in the competition, and the infraction shall be reported by the Technical Commission of the Competition to the BFA Executive Committee for further action.
- A1.9. Should a violation of eligibility be discovered after the competition, the case can be submitted by the BFA Technical Commission, or by the National Federation, directly to the BFA Executive Committee for further action. In any case the Executive Committee may act officially should a violation of eligibility be discovered after the competition.

A5. DOPING CONTROL

A5.1. Doping Control will be conducted in accordance with the BFA and WBSC Anti-Doping Rules, which are in compliance with the World Anti-Doping Code.

A5.2. During an official competition of any Baseball event under BFA control, unless agreed with the BFA Anti-Doping Program, the frequency of doping controls shall be as follows.

Preliminary phase: at least one game from each group each day with one player selected per team. The intention in the preliminary phase is to test each team at least once and preferably twice. However, such testing shall be limited to up to 2 games per day.

One player per team will be selected from all super round and final games.

A5.3. BFA will appoint a BFA Anti-Doping Commissioner to oversee the anti-doping program. The BFA Anti-Doping Commissioner may vary the test distribution in consultation with the head Doping Control Officer (DCO).

A5.4. For games in which doping controls will be conducted, the following procedure shall be followed:

- At the end of the first half of the fourth innings the head DCO, the BFA Anti-Doping Commissioner and one of the Technical Commissioners in charge of the game, with a copy of the starting Line-ups, shall meet in the Doping Control Station. The head DCO will have a copy of the FTR for the selection process.
- The Team Manager has to confirm to the TC that all players are at the game and if one is missing (for injury, sickness, etc....) why and where the player is (for Doping test reason).
- The head DCO will provide a random system. In the case of no available system, player names or numbers will be written on pieces of paper and cut up.
- A random selection process will be conducted for each team. This will include selection of reserve players in the event the original selected player/s are seriously injured during the game.
- If one player from each team is being selected, all 20 players will be included in the draw, and one reserve player selected. If two players from each team are being tested, the first selection will be from the Starting Line-up, the second from the full player list of 20. The reserve selections will be made from the full list.
- While a player may be subject to doping control on more than one occasion, the BFA Anti-Doping Commissioner may ask for a redraw if the player has already been tested twice at the same tournament.
- The selections will be marked on the Starting Line-up, signed by the parties in attendance and given to the DCO.
- The names of the selected players shall not be communicated to the teams before the end of the game.

A5.5. Players must stay at the field for the duration of the game. The Technical Commissioner(s) assigned to the game and the Executive Director shall be informed immediately in case of a player needs to be absent from the field or tournament at any time.

A5.6. If a selected player gets seriously injured and needs to be immediately hospitalized, the reserve player selected from the same team shall be tested instead. In such a case, medical evidence on the serious status of the injury must be given to the BFA Anti-Doping Commissioner. The injured player may still be selected for a doping control by BFA once they have recovered. *For example:* a player is hurt before the doping procedure on a Monday and goes to the hospital. On Tuesday, he is taken off the roster but is still in the country at the hotel or at the game. That player is still eligible to be tested just as the rest of the players on the initial FTR are eligible to be tested. In short, any player who is injured or removed from the roster is

Baseball Federation of Asia

still subject to the same drug testing procedures as the rest of the team.

A5.7. Any players on the Final Team Roster (FTR) not present at the game may be selected by BFA for a doping control whether still in the host city or not.

A5.8. The LOC is responsible for getting the Doping Control Station properly equipped and ready for use and maintained in a suitable manner at all times.

Any appeal will be handled as per Reg. B4. Delegations and National Federations will be notified about an infraction, fine and suspension by notice under Reg B.5.1 during the competition or as soon thereafter as possible. It is the responsibility of the National Federation involved to ensure that a fine is paid and that a suspension is honored. Failure to do so will result in a National Federation's team or the individual involved being unable to participate in a BFA Competition, as well as additional fines being imposed and the National Federation being deemed not to be in Good Standing
- d) An act or omission that takes place during a competition that constitutes an infraction may be identified or confirmed during or after that competition by corroborated personal statements, audio or video recordings or referral to the BFA Executive Director by an Umpire, Umpire Director, Technical Director, Technical Commissioner, from that competition. This does not, however, mean that the other team can hit for a longer period of time. Moreover, teams are not permitted to stretch, warm up, or be near the batting cage until BP for the other team is over. Teams should warm-up in an area outside the baseball field during this time. If no viable warm-up area exists (this will be the discretion of the Technical Commissioner), then teams are permitted to go to the far right or left field area during BP to warm-up during the other teams batting practice time. The Technical Commissioner will be on site to assist with any difficulties during this time.
- C5.4. Each team will be allowed ten (10) minutes for infield practice before the beginning of the game. All other players on the approved roster (FTR) will be considered as possible substitutes for all the games. A copy of the official line-up shall be given to the opposite Team Manager, the Scorer(s) and Technical Commissioner(s) in charge of the game. If there are changes between the preliminary and starting lineup, it must be announced directly to the Technical Commissioner in charge of the game and to the opposing team. An injury or other extraordinary reason should be the only reason for changes in the preliminary lineup. Abuses in this regard will not be viewed lightly and are subject to fines from the Technical Director.
- C6.2. Teams will announce to the other teams whether they will be starting a right-handed or a left-handed pitcher. Such information should be provided to the opposing Team Manager no later than 90 minutes before the start of the game. However, it is recommended that such information is shared with the opposing Team Manager as soon as the teams arrive at the ballpark.

BFA Exceptions to the Official Rules of Baseball

C7.7. The need to speed-up the play of international competition games must be constantly stressed to the Umpires, Team Managers and Coaches, and the following rules must be constantly enforced in an effort to keep the game moving quickly:

- a) In the event of inclement weather or other unforeseen conditions, the Technical Commissioners assigned to the game will have the responsibility of determining the start of a game. (Note: exception to *WBSC Official Rules of Baseball Rule 5.1*).
- b) The 20-second clock rule for the pitcher must be enforced at all time during the game (without runners on base). Teams shall be directed to have a catcher ready to warm-up the pitcher as soon as an inning is completed.
- c) The pitcher shall complete **Ninety (90) seconds OR a maximum of eight (8) warm-up pitches within the ninety (90) seconds** between innings and the Home-plate Umpire shall ensure that the pitches are thrown without undue delay. **The between innings clock will be activated once the pitcher on defense crosses the foul line in route to the dugout. If a team fails to complete the warm-up pitches in the allotted length of time**, the Umpire may terminate them and call "Play Ball". If the game is televised live, the Umpire Director will confirm the number of pitches and/or duration of warm-up pitches between innings.
- d) When a batter hits a home run, members of his/her team shall not be allowed to touch the hitter until he has passed the home plate. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined and the Team Manager shall be ejected from the game.
- e) Pitching substitutions shall be limited to the allotted ninety (90) seconds for all games. The pitching change clock will be activated once the substitute pitcher steps onto the warning track coming from the bullpen. If a pitcher fails to complete the warm-up pitches within the ninety (90) seconds, the Umpire may terminate them and call "Play Ball". If the game is televised live, the Umpire Director will confirm the number of pitches and/or duration of warm-up pitches
- f) BFA Competitions do not follow the three (3) batters minimum rule. Pitchers entering the game at a BFA Competitions must face a minimum of one (1) batter.
- g) Teams are allowed a maximum of 3 "offensive meetings" per game. An "offensive meeting" shall be charged any time a Coach delays the game for any length of time to talk with an offensive player; whether it is the hitter, a base-runner, an on-deck batter going to the plate, or to another Coach. If the game goes to the extra innings, "offensive meetings" not done during the game will not be accumulated and only one additional "offensive meeting" shall be permitted for each three (3) extra innings. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined and the Team Manager shall be ejected from the game. No offensive trip will be charged if the offense discusses strategy during a delay for which they are not responsible (e.g. trip to the mound, injury, player change, etc.) proving they cause no further delay.
- h) The "between innings infield clean-up" shall take place after the bottom of 4th inning (for seven-inning games) and will be limited to a maximum of five (5) minutes during the competition.
- i) Collision Rule
 - The WBSC is concerned about unnecessary and violent collisions primarily with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid such collisions whenever possible. Refer to WBSC Official Rules of Baseball to see specific tournament ruling on Collision Regulations.

j) Extra-Inning Rule:

Refer to the WBSC Official Rules of Baseball to see specific tournament ruling on Extra-Inning Regulations.

C7.8 No Courtesy Runners are permitted in the competition.

C8. COMPETITION GAME SCHEDULE

C8.1 Once the competition game schedule has been approved by the Executive Committee of the BFA, it becomes inviolable and can only be amended further to a new decision of the Executive Committee itself. Nevertheless, if during the competition there are reasons unforeseen in these norms and an amendment to the schedule would be necessary, changes to the game schedule could be done through a joint proposal of the Competition's Technical Commission and the Local Organizing Committee to the Executive Director, who is the only person entitled to sanction an amendment. The new game schedule shall officially be approved in writing by the Executive Director before being released to all participants.

C9. SUSPENDED GAMES

C9.1. In case a game is stopped because of weather, curfew or other reason, the following will apply: before a contest becomes a regulation game, it is not an official game and shall be resumed at the exact point of suspension.

C9.2. After it becomes a regulation game, it is ruled a complete game.

C9.3. When it is tied or when the visiting team takes the lead in an uncompleted inning, and after it has become a regulation game, it shall be ruled a suspended game and shall be resumed at the exact point of suspension and played to a completion. The scheduling of completion of suspended game shall be given priority by Technical Commission in order to complete it as soon as possible.

C9.4. All suspended, tied or games not played shall be re-scheduled by the Technical Commission and the BFA Tournament Department in order to resume or start them following the suspension order if applicable. The new schedule has to be officially approved in writing by the Executive Director before being released to all participants.

C9.5. If there are difficulties concerning the closing date, only the games necessary to establish the final positions of the first three teams will be re-scheduled. No team shall be asked to play more than two games on the same day, unless the case warranted by exceptional circumstances and agreed upon by both teams affected by this measure. Would the exceptional circumstances persist and would any of the involved teams refuse to play two games on the same day, the Executive Director has the authority officially to determine whether they must play or not and the team or teams will be under the obligation to do it if the decision of the Executive Director establishes it as to be so. If the team or teams do not agree to play, they will lose the game by forfeit to appear.

C9.6 As per the Official Baseball Rules, a game is considered a regulation game if **four** innings have been completed and the umpire calls the game. In all BFA sanctioned events, the umpires must wait a minimum of 60 minutes – and no more than 90 minutes -- before making a decision about whether to call the game and make it become a regulation game.

C9.7. If a play is in progress at the moment of a failure of the field's lighting system and an additional action is impossible, the game is considered suspended. Whenever the lights are restored, the game shall continue in the same situation that existed at the beginning of the play, which was interrupted due to lack of lighting.

C10. HOME/VISITOR ASSIGNMENTS

C10.1. Opening Round Home and Visitor game assignments are decided by BFA once all participating countries are known. An attempt is made to ensure the number of Home and Visitor games is as equitable as possible.

C10.2. Establishing home and visitor teams in Super Round / Placement Round games and in Finals shall be done in the following order: 1. Based on the standings of the Opening Round. Teams with higher seed after the Opening Round will be home team (i.e. 1st from A vs 2nd from B, then 1st from A will be home team). 2. By the drawing of lots if the seeding after the Opening Round is equal (i.e. 1st from pool A vs 1st from pool B).

C11. TIE BREAKING

Baseball Federation of Asia

All ties after the preliminary round will be settled as follows (in order):

The ranking of the teams after the round robin shall be according to the win-loss record of all the games played. All ties after the 1st round, 2nd round and finals shall be settled in the order of the following list. That is, if criteria (1) does not break the tie, then it is no longer considered the criteria capable of breaking the tie, and the next criteria (2) will be used. This logic continues through the list, in order, until the tie is broken:

- 1) The team that won the game(s) between the teams tied shall be given the higher position.
- 2) Team's Quality Balance (TQB) and game results between teams tied,

Note: If three or more teams are tied and when criterion 1 does not break a tie, the team with the highest TQB will be placed in the first spot. The TQB is calculated as follows: (runs scored / innings played at bat) – (runs allowed / innings playing on defense). For a three-way tie and when the TQB is needed to break the tie, the TQB will place all three teams from highest to lowest placing.

- 3) The team that has the best Earned Runs Team's Quality Balance (ER-TQB).
- 4) Highest batting average in games between the teams tied.
- 5) A coin flip.

Five Examples of the Tie Breaker Criteria application.

Scenario 1:

Game 1: Team A – Team B 5 – 4
Game 2: Team D – Team E 9 – 1

Standings after single round robin:

Team A	3 Won, 1 Lost	*
Team B	3 Won, 1 Lost	*
Team C	2 Won, 2 Lost	
Team D	1 Won, 3 Lost	*
Team E	1 Won, 3 Lost	**

* Criterion 1: Team A finishes higher than Team B, because of the result of game 1.

** Criterion 1: Team D finishes higher than Team E, because of the result of game 2.

Scenario 2:

Team A – Team B 5 – 4 (8 ½ innings)
Team C – Team A 2 – 0 (8 2/3 innings)
Team B – Team C 8 – 2 (8 ½ innings)

Standings after single round robin:

Team A	3 Won, 1 Lost	*
Team B	3 Won, 1 Lost	*
Team C	3 Won, 1 Lost	*

* Criterion 1: No decision between any of the teams A, B and C.

** Criterion 2: Team B has highest TQB, followed by Team A and Team C. Therefore, Team B is 1st place, Team A is 2nd place and Team C is 3rd place.

Team	Runs Scored	Offense. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	5	17	0.2941	6	17.67	0.3396	-0.0454
B	12	17	0.7059	7	17	0.4118	0.2941
C	4	17.67	0.2264	8	17	0.4706	-0.2442

Team B: 12 runs scored in 17 offensive innings = 0.706; 7 runs allowed in 17 defensive innings = 0.412 TQB = 0.294

Team A: 5 runs scored in 17 offensive innings = 0.294; 6 runs allowed in 17.67 defensive innings = 0.339 TQB = -0.045

Team C: 4 runs scored in 17.67 offensive innings = 0.226; 8 runs allowed in 17 defensive innings = 0.471 TQB = -0.244

Baseball Federation of Asia

Scenario 3:

Game 1: Team C – Team D 4 – 3
 Game 2: Team C – Team E 8 – 5
 Game 3: Team D – Team E 3 – 7

Standings after Super Round:

Team	Win	Lose	
Team A	5	0	
Team B	3	2	
Team C	2	3	*
Team D	2	3	*
Team E	2	3	*
Team F	1	4	

* Criterion 1: Base on the games played between teams C, D and E, team C won both games (record of 2-0), team E has one win one loss (1-1), and team D lost both game (0-2). Therefore this 3-teams tie can be broken with criterion 1 as Team C won the games between the 3 teams. C is placed 3rd, E is 4th place and D is 5th place in the scenario.

Scenario 4:

Game 1: Team A – Team B 7 – 4 (8 ½ innings), in earned runs 3 – 4
 Game 2: Team B – Team C 7 – 4 (8 ½ innings), in earned runs 5 – 2
 Game 3: Team C – Team A 7 – 4 (8 ½ innings), in earned runs 5 – 1

Standings after single round robin:

Team A	3 Won, 1 Lost	*	
Team B	3 Won, 1 Lost	*	**
Team C	3 Won, 1 Lost	*	**

* Criterion 1: No decision between any of the teams A, B and C.

** Criterion 2: No decision between any of the teams A, B and C.

Team	Runs Scored	Offense. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	11	17	0.6471	11	17	0.6471	0.0000
B	11	17	0.6471	11	17	0.6471	0.0000
C	11	17	0.6471	11	17	0.6471	0.0000

Criterion 3: Team B finishes higher than Team C and Team A because of the TQB in games 1, 2 and 3.

Team	Earned Runs Scored	Of. Innings	Ratio	Earned Runs Allowed	Def. Innings	Ratio	ER-TQB
A	4	17	0.2353	9	17	0.5294	-0.2941
B	9	17	0.5294	5	17	0.2941	0.2353
C	7	17	0.4118	6	17	0.3529	0.0588

Team B: 9 ERuns scored in 17 offensive innings = 0.529; 5 ERuns allowed in 17 defensive innings = 0.294
 TQB = 0.235

Team C: 7 ERuns scored in 17 offensive innings = 0.412; 6 ERuns allowed in 17 defensive innings = 0.353
 TQB = 0.059

Team A: 4 ERuns scored in 17 offensive innings = 0.235; 9 ERuns allowed in 17 defensive innings = 0.381
 TQB = -0.294

Scenario 5:

Game 1: Team A - Team B 5 - 4 (9 innings)
 Game 2: Team B - Team C 5 - 0 (8 ½ innings)
 Game 3: Team C - Team D 8 - 4 (8 ½ innings)
 Game 4: Team D - Team E 9 - 0 (8 ½ innings)
 Game 5: Team E - Team A 5 - 2 (8 ½ innings)

Baseball Federation of Asia

Game 6: Team A - Team C 1 - 3 (9 innings)
 Game 7: Team B - Team D 3 - 5 (9 innings)
 Game 8: Team C - Team E 1 - 3 (9 innings)
 Game 9: Team D - Team A 0 - 8 (9 innings)
 Game 10: Team E - Team B 3 - 7 (9 innings)

Standings after single round robin:

Team A	2 Won, 2 Lost	*	
Team B	2 Won, 2 Lost	*	
Team C	2 Won, 2 Lost	*	**
Team D	2 Won, 2 Lost	*	**
Team E	2 Won, 2 Lost	*	

*Criterion 1: No decision between any of the teams A, B, C, D and E.

Criterion 2: Team B has highest TQB of all five teams, therefore is placed in 1st place, followed by Team A in 2nd place.

Criterion 3 will then need to be calculated to determine 3rd and 4th place between Team C and Team D. Team E is placed in 5th place.

Team	Runs Scored	Of. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	16	36	0.4444	12	35	0.3429	0.1016
B	19	35	0.5429	13	36	0.3611	0.1817
C	12	35	0.3429	13	35	0.3714	-0.0286
D	18	35	0.5143	19	35	0.5429	-0.0286
E	11	35	0.3143	19	35	0.5429	-0.2286

Team B: 19 Runs scored in 35 offensive innings = 0.542; 13 Runs allowed in 36 defensive innings = 0.361 TQB = 0.181

Team A: 16 Runs scored in 36 offensive innings = 0.444; 12 Runs allowed in 35 defensive innings = 0.342 TQB = 0.101

Team C: 12 Runs scored in 35 offensive innings = 0.342; 13 Runs allowed in 35 defensive innings = 0.371 TQB = -0.028

Team D: 18 Runs scored in 35 offensive innings = 0.514; 19 Runs allowed in 35 defensive innings = 0.542 TQB = -0.028

Team E: 11 Runs scored in 35 offensive innings = 0.314; 19 Runs allowed in 35 defensive innings = 0.542 TQB = -0.228

C12. ALTERNATE DETERMINATION OF CHAMPION

C12.1. In case of rain during the Super Round and/or Finals, it will proceed as follows:

- If rain prevents the playing of all the Super Round and/or Final, an extra day will be used to permit the top finishers from each of the first-round groups to play a game or games to determine the title.
- If rain disrupts the Super Round and/or Finals before completion, all efforts will be made to determine a champion by playing only the game(s) which remain to determine the title. If a decision regarding a medal must be made without playing a game, the tie breaking criteria from C-11 shall apply. The same procedure will be followed for subsequent positions if necessary.

Baseball Federation of Asia
