SUBJECT 2023 U18 Women's and Open Men's Oceania Softball qualification events

Please be advised that the WBSC Oceania Executive Committee has awarded the 2023 U18 Women's Softball and Open Men's Softball Oceania regional qualification event to American Samoa Softball Association to be conducted in November/December this year.

The WBSC Oceania has two spots allocated for the Group Staging events in 2024. If only two countries confirm their participation, there will be no need to conduct a regional qualification event. With American Samoa Softball Association hosting these events there should be at least three countries participating this year.

American Samoa will host 2023 U18 W SB Oceania qualification event, November 5 – 11 and the Open Men's December 1 - 5 2023 respectfully with the winners competing at the WBSC U18 W SB Group stage and Open Men's Group stage in 2024.

The WBSC Oceania Executive is now calling for participating teams (countries) for these regional qualification events. Close date for your team nomination for both these events will be **July 31, 2023**.

Please see the attached Team Nomination forms with a RSVP of **July 31, 2023**

A participation bond of **\$1000 USD** will be required at the time of submitting your team nomination form.

Please confirm when your bond has been deposited.

Your response to these questions would be appreciated by **July 31 2023**.

Any questions let me know.
